Business Is God's Business The notion that labor for profit and worship of God are now and always have been worlds apart is patently false The Early Church founders were mostly community leaders and highly successful businesspeople The writing of the Gospels was entrusted to Luke a medical doctor Matthew a retired tax collector Mark the manager of a family trust and John a food supplier Lydia was a dealer in purple cloth Dorcas was a clothes designer In this expanded version of the bestselling Anointed for Business Ed Silvoso focuses on the heart of our cities which is the marketplace Yet the perceived wall between commercial pursuit and service to God continues to be a barrier to advancing His kingdom Silvoso shows Christians how to knock down that wall and participate in an unparalleled marketplace transformation Only then can we see God's kingdom invade every corner of our world Readers will appreciate Silvoso's passionate call to men and women in the workplace to rise to their God appointed positions. The included study guide will enable the reader to put these revolutionary concepts into action **Innovative Management Education Pedagogies for Preparing Next-Generation Leaders** Tiwari, Shalini Rahul, Nafees, Lubna, 2015-11-30 Management education is currently adapting to several societal changes Due to increased workload and outside pressures heaped on students business education programs are undergoing a unique transformation to keep up with shifting industry expectations Innovative Management Education Pedagogies for Preparing Next Generation Leaders facilitates the discussion on a variety of teaching methods and practices being used in current business education programs Highlighting the ways that technology can be used to aid students in the advancement of their studies as well as career development and preparation this text covers a range of topics from leadership expectations and workforce requirements to electronic course materials. The timely research based practices and methods included in this publication are beneficial to school administrators instructional designers instructors and researchers in the fields of business and higher education The Irrelevant Leader Phil Jewell, 2025-07-03 Somewhere along the way we embraced the idea that good leaders should always know everything that s going on and have all the answers That staying in the loop means staying in charge Yet what if the real measure of leadership isn t how involved we are but how well the teams we lead can keep moving forward when we re not there After years in the military and then moving into civilian leadership roles Author Phil Jewell saw leaders struggling with the belief that they had to be involved in every process every decision to be successful Yet Phil had already learned a truth they hadn t yet discovered the team is the centre not the leader The Irrelevant Leader The Art of Leading by Letting Go challenges the traditional leadership model and provides today s leaders with a new way to lead one that is sustainable impactful and fulfilling Based on the author's years in military and civilian leadership roles this guide offers eight principles for leaders to rethink their leadership styles and move from relevance to irrelevance creating stronger teams with less overwhelm and greater results Direct and honest The Irrelevant Leader is a must have for leaders who want to build strong independent teams that are able to operate while they re not there After all leadership isn t about being the hero but about developing people so they don't need one **Software Engineering - The Soft Parts Addy**
