*Practitioner's Guide to Public Archaeology* Elizabeth C. Reetz,Stephanie T. Sperling,2024-08-19 Many archaeologists learn by trial and error while developing public programs and events and are mostly unaware that others in the profession are undergoing the same challenges Archaeologists seldom receive professional development on K 12 pedagogy public engagement program design or assessment For many in the field public outreach is often an under funded and under resourced extension of an already overwhelming workload yet this work is incredibly important In A Practitioner's Guide to Public Archaeology Intentional Programming for Effective Outreach more than thirty public archaeology practitioners will help you reduce the guesswork and stress behind program planning in this engaging and reader friendly handbook A complement to the growing library of public archaeology publications the authors exclusively focus on key components of planning implementing and assessing public archaeology programming Learn how to connect with your audience build an accessibility mindset create intentional goals and outcomes identify resources collaborators and other logistical needs and conduct assessments to better understand your impact Discover ideas and techniques for all ages programming like public excavations site tours festivals and lectures K 12 presentations and events including formal and nonformal educational programs that occur inside and outside of a classroom and community based heritage management programs that include those designed for recurring participation by active trained volunteers Throughout the book curated case study excerpts provide a diversity of perspectives and offer practical insights The book concludes with a collection of logistics templates and real world examples to help you streamline your program preparation Drawing from decades of experience you'll discover guidance on navigating challenges celebrating successes and lessons learned Whether you are new to public archaeology or a seasoned expert this book offers valuable insights for all practitioners      **The Teach Yourself Guide to Numismatics** Christopher Churchill Chamberlain,1960      The Teach Yourself Bible Atlas Harold Henry Rowley,1960      Teach Yourself VISUALLY iPhone 7 Guy Hart-Davis,2016-10-17 In this book you'll find clear step by step screen shots that show you how to tackle more than 140 iPhone tasks Each task based spread covers a single technique sure to help you get up and running on the iPhone in no time      **Readers' Guide to Books on Archaeology (excluding the British Isles)** Library Association. County Libraries Group,1960      **Pinning Down the Past** Mike Corbishley,2014-04-17 In a relatively short period of time the pursuit of archaeology has evolved from an antiquarian interest to a specialised scientific activity Part of this evolution

has always included the interest of the public and archaeologists efforts to educate them As each new method and technique is developed and each new specialism is created the challenge of making archaeology available as a learning resource grows with it Today for example the issues which surround archaeology and heritage such as the pressures of tourism on sites now form part of many formal educational curricula This book the first to deal with the subject in such depth examines the place of education and outreach within the wider archaeological community Written by one of Britain s leading archaeological educationalists it charts the sometimes difficult and painful growth and development of education and archaeology Packed full of informative and enlightening case studies from the circus at Colchester to Sutton Hoo and Hadrian s Wall this work examines exactly how we have reached the point we are at where that place is and suggests areas for future development By drawing upon many decades of experience at the front line of archaeological education the author has produced a key text that will play a major role in the on going development of the heritage industry Publisher s website
