Taylor Made Sherryle Kiser Jackson,2011-10-24 Pamela Pill Jones was raised in poverty by her older sister and always craved the good life Today she s a successful hairstylist but she and her husband Corey s income doesn t cover all the material goods she buys and they soon find themselves struggling to climb out of deep debt As Corey bears the brunt of their money problems Pill just keeps spending Now Corey s feeling strained and he can t deal He s also trying to figure out who he is but all he sees in front of them are issues with no end in sight He asks Pill to join him for Marriage Maintenance classes and hopes with a little faith they can get their marriage back on track But will Pill get on board even if it means going without again Robert Taylor Gillian Kelly,2019-06-27 Because of his lengthy screen resume that includes almost eighty appearances in such movies as Camille and Waterloo Bridge as well as a marriage and divorce to actress Barbara Stanwyck Robert Taylor was a central figure of Hollywood s classical era Despite this he can be regarded as a lost star an interesting contradiction given the continued success he enjoyed during his lifetime In Robert Taylor Male Beauty Masculinity and Stardom in Hollywood author Gillian Kelly investigates the initial construction and subsequent developments of Taylor s star persona across his thirty five year career By examining concepts of male beauty men as object of the erotic gaze white American masculinity and the unusual longevity of a career initially based on looks Kelly highlights how gender masculinity and male stars and the ageing process affected Taylor s career Placing Taylor within the histories of both Hollywood s classical era and mid twentieth century America this study positions him firmly within the wider industrial cultural and socioeconomic contexts in which he worked Kelly examines Taylor s film and television work as well as ephemeral material such as fan magazines to assess how his on and off screen personas were created and developed over time Taking a mostly chronological approach Kelly places Taylor s persona within specific historical moments in order to show the complex paradox of his image remaining consistently recognizable while also shifting seamlessly within the Hollywood industry Furthermore she explores Taylor s importance to Hollywood cinema by demonstrating how a star persona like his can fit so well and for so long that it almost becomes invisible and eventually almost forgotten *Decisions of the Department of the Interior and the General Land Office in Cases Relating to the Public Lands* United States.
