Your Kids, Their Money Clifton D. Corbin, 2021-10-27 Your Kids, Their Money gives you the tools to teach your children about the one area many parents never talk about: money. Drawing on his master's in business administration, MBA finance experience, and practices with his own children, Clifton Corbin provides a guide for the modern parent. In this book, you will learn how to educate your children on the basics of money management, such as allowances and first jobs, borrowing, credit, and investing in ways that make sense to parents and appeal to kids. Clifton's innovative approach starts by identifying teachable moments during everyday activities. You will see how to involve your children in the family's finances, explain where money comes from, teach why it's essential to invest, manage debt, and donate. Gain tools to explain why, sometimes, you

just can't afford some things and so much more. Throughout the book you and your kids can participate in activities and games to engage further with financial literacy and build greater confidence. Your Kids Their Money is the clear and simple guide you need to help teach financial literacy to your children. Applicable for kids of all ages, this guide is an investment you will want to make in building a solid foundation for your children's future.
