Ruddell Weatherwax's Training Your Dog the Weatherwax Way** Everest Media,2022-03-26T22:59:00Z Please note This is a companion version not the original book Sample Book Insights 1 I began training dogs in late 1986 I had just completed four years active service in the Navy and I looked at this as a chance to pursue my dream of being a dog trainer However the experience made the work harder than it should have been 2 I was only 11 when Lassie went off the air in 1974 and I was 14 when my father went into business for himself I was heavily involved in the development of my father s business and I felt a responsibility that was implied if not actually spoken by my parents 3 I was named Robert Weatherwax like my dad which meant that I was always going to be associated with the dog training industry I had been involved with Lassie since I was a kid and when my father died I decided to continue training dogs 4 I have been training dogs privately since the end of my movie dog training years I learned to appreciate my current clientele and have always felt that this career was for a bigger purpose than training a dog for a movie that might simply go straight to video
