Miracles : 2 Volumes Craig S. Keener, 2011-11-01 Christianity Today 2013 Book Award Winner Winner of The Foundation for Pentecostal Scholarship s 2012 Award of Excellence 2011 Book of the Year Christianbook.com s Academic Blog Most modern prejudice against biblical miracle reports depends on David Hume s argument that uniform human experience precluded miracles Yet current research shows that human experience is far from uniform In fact hundreds of millions of people today claim to have experienced miracles New Testament scholar Craig Keener argues that it is time to rethink Hume s argument in light of the contemporary evidence available to us This wide ranging and meticulously researched two volume study presents the most thorough current defense of the credibility of the miracle reports in the Gospels and Acts Drawing on claims from a range of global cultures and taking a multidisciplinary approach to the topic Keener suggests that many miracle accounts throughout history and from contemporary times are best explained as genuine divine acts lending credence to the biblical miracle reports Miracles Today Craig S. Keener, 2021-10-19 Do miracles still happen today This book demonstrates that miraculous works of God which have been part of the experience of the church around the world since Christianity began continue into the present Leading New Testament scholar Craig Keener addresses common questions about miracles and provides compelling reasons to believe in them today including many accounts that offer evidence of verifiable miracles This book gives an accessible and concise overview of one of Keener s most significant research topics His earlier two volume work on miracles stands as the definitive word on the topic but its size and scope are daunting to many readers This new book summarizes Keener s basic argument but contains substantial new material including new accounts of the miraculous It is suitable as a textbook but also accessible to church leaders and laypeople

An Examination of the Testimony of the Four Evangelists, by the Rules of Evidence Administered in Courts of Justice. With an Account of the Trial of Jesus. By Simon Greenleaf. [A Harmony of the Gospels.] , 1846 **On Divine Revelation: The Teaching of the Catholic Faith Vol. One** Fr. Reginald Garrigou-Lagrange, 2022-05-27 In On Divine Revelation one of Garrigou Lagrange s most significant works here available in English for the very first time he offers a classic treatment of this foundational topic It is an organized and thorough defense of both the rationality and supernaturality of divine revelation He presents a careful yet stimulating account of the scientific character of theology the nature of revelation itself mystery dogma the grace of faith the powers of human reason false interpretations thereof rationalism naturalism agnosticism and pantheism the motives of credibility and much more Though written a century ago On Divine Revelation will restore confidence in theology as a distinct and unified science and return focus to the fundamental questions of the doctrine of revelation It also serves as a salutary corrective to contemporary theology s anthropocentrism and concern with what is relative in revelation and religious experience by reorienting our theological attention to what is most certain central and sure in our knowledge of divine revelation the Triune God who has revealed his inner life and

salvific will Readers will see the great splendor of the gift of divine revelation radiant with credibility before the gaze of reason and drawing our supernatural assent to the mysteries through the gift of faith As Fr Cajetan Cuddy O P observes On Divine Revelation is a stunning work of inestimable value No other subsequent work on this topic has come close to meeting it much less surpassing it **Come Out Of Her My People: (Vol. I) A History of The Message of William Branham**

Charles Paisley,2024-06-01 William Branham was a influential Pentecostal ministers of the mid 20th century who began a cult following known as The Message While many biographies of William Branham have been published this is the first book on the history of The Message movement Written by the former associate pastor of the second oldest Message church in the world this book explores The Message community and the origins of its ideology The Message did not appear in a vacuum The ideology of The Message is merely a continuation and evolution of belief systems which came before What was that system Where did the ideology come from Are the sources reputable How did the early Message community form This first volume of the history of The Message will begin to shed light on these questions **An Examination of the Testimony of the Four Evangelists, by the Rules of Evidence Administered in Courts of Justice** Simon Greenleaf,1846

Theology Explained and Defended Timothy Dwight,2009-05 With our American Philosophy and Religion series Applewood reissues many primary sources published throughout American history Through these books scholars interpreters students and non academics alike can see the thoughts and beliefs of Americans who came before us *Hume on Testimony* Dan O'Brien,2022-10-21 This book is the first devoted to Hume s conception of testimony Hume is usually taken to be a reductionist with respect to testimony with trust in others dependent on the evidence possessed by individuals concerning the reliability of texts or speakers This account is taken from Hume s essay on miracles in An Enquiry concerning Human Understanding O'Brien though looks wider than the miracles essay turning to what Hume says about testimony in the Treatise the moral Enquiry the History of England and his Essays There are social aspects of testimonial exchanges that cannot be explained purely in terms of the assessment of the reliability of testifiers Hume s conception of testimony is integrated with his account of how history informs our knowledge of human nature the relation between sympathy and belief and between pride and the conception we have of our selves the role played by social factors in the judgment of intellectual virtue and the importance Hume places on epistemic responsibility and the moral and personal dimensions of testimonial trust It is not possible to focus on testimony without allowing other aspects of our nature into the frame and therefore turning also to consider sympathy wisdom history morality virtue aesthetic judgment the self and character O'Brien argues that Hume s reliance on the social goes deep and that he should therefore be seen as an anti reductionist with respect to testimony *Hume on Testimony* will be of interest to researchers and advanced students working on Hume and on early modern and contemporary approaches to the epistemology of testimony *Harvard's Classics Collection: Complete 71 Volumes* Johann Wolfgang von Goethe,Gotthold Ephraim Lessing,Bjørnstjerne Bjørnson,Thomas Carlyle,Theodor

The Top Books of the Year Testimonies I Believe In Miracles Volume The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous captivating novels captivating the hearts of readers worldwide. Lets delve into the realm of bestselling books, exploring the engaging narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can triumph. Testimonies I Believe In Miracles Volume : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This spellbinding historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Testimonies I Believe In Miracles Volume : Delia Owens "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and gripping novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
