Discerning and Exposing the Spirit of Deceit of Antichrist ETAN BRUNO, **How I Talk to Horses** Margo Ragland Reid,2017-06-29 Fourteen years ago I bought Missy She was incredible had a bad attitude and she hated me I immediately decided buying Missy was the stupidest thing I d ever done until she talked to me Missy first talked when she really wanted something tried to get it herself and failed In frustration she turned to me and asked me to get it for her When she asked she said it clearly in complete sentences She was surprised that I understood and got it for her I was amazed that she asked so clearly I ve paid attention ever since Now Missy talks all the time Once I got more horses I realized they all talk If we don t notice horses give up and don t try to talk to us anymore We can learn how horses think processes information and talk I reject the term Breaking Horses I don t want broken horses so I don t break them I want spirited intelligent engaged horses Breaking horses makes them anxious and reactive Its archaic thinking like controlling a wife was in the 50 s This book explains How I talk to horses How anyone can if you learn how horses think and speak How to earn your respected position in their herd as their Leader How to fi x incorrect or ill behavior by telling them Wrong answer Find a better answer How to show your horse what you want have them trust you become brave and try How to become confident and share that confidence with your horse without arrogance How to interpret what your horse is saying by what your horse is showing you How to help an abused horse overcome PTSD learn to trust and feel safe with you How to turn a reactive brain off turn their thinking brain on so they can respond and not react How to read your horse s ears because ears say as much as their eyes say How to approach a horse who sees you with one eye ask them for two eyes and why it matters How a horse s brain is different than a human s and what that means while you work with them May your Horse want to be with you **The Holy Spirit and His Gifts** Dr. Anthony Landon,2011-07-14 The Holy Spirit and His Gifts was written to provide insight and revelation into the third person of the Holy Trinity This work of exegesis has been presented in a plain down to earth style that will help the reader understand more fully who the Holy Spirit is and the depth of relationship that He offers to the child

of God The Holy Spirit and His Gifts is intended to provide an increased comprehension of the interaction of God the Holy Spirit with the creation that He so desperately loves and desires to minister to and through Questions such as Who is the Holy Ghost Does God still heal Are tongues for today are answered from a strictly biblical point of view This book will be like a handbook to lead Christians into an ever increasing ever deepening relationship with God the Father God the Son and God the Holy Ghost *Experiencing the Gifts of the Holy Spirit* Solomon Hailu, 2017-12-28 Professor Hailu brings fresh new insights into the operation of the spiritual gifts as found in 1 Corinthians 12 1 11 from his ministerial experiences He tells how he was baptized in the Holy Spirit in 1993 and started experiencing what can only be termed explosive manifestations of the spiritual gifts shortly thereafter He takes the position that every Christian is granted one or more gifts upon being born again but only fully unwraps those gifts upon receiving the Baptism of the Holy Spirit He emphasizes the importance of developing a personal relationship with and dependence on the Holy Spirit in order to exhibit the power filled life that Jesus Christ had in his earthly ministry As both an academic and a religious leader this work constitutes an important contribution to the theological dialogue on this important theme It is simply written so that the layperson as well as the theologian can rejoice with this man whom God has raised up to minister to the present generation
