

OFFERING TIME IN THE SANCTUARY

As an act of faith, love, gratitude, and a heart for You and Your house, we bring our tithes and offerings from our house, and release them here into Yours. Because I am a generous and consistent giver, the fear of lack has been broken and has no power over me.

As a gift today, I am believing you for: Health and healing, jobs and better jobs, raises and bonuses, benefits, sales and commissions, bills paid off, favorable settlements, checks in the mail, scholarships and grants, gifts and surprises, finding money, blessings and increase, and I will never be BROKE another day in my life!

Thank You, God, for watching over Your word to perform it in my life, my family, and my money. You have blessed me to be a blessing, and I have more than enough to give, so that your vision and purpose for this house may be fulfilled in Jesus name

Amen

Mathew,2004-04 This book is a comprehensive guide to competent Spirit led ministry in the 21st century Written from a Pentecostal Charismatic perspective it focuses on four important aspects of effective ministry preaching teaching healing and leading Beginning with biblical definitions of ministry the book describes the challenges presented by the 21st century in light of the long history of Christian ministry and it offers biblically sound advice to address these challenges The role of the Holy Spirit in ministry is examined in detail The bulk of the book is devoted to the theory theology and practice of competent Spirit led ministry This book is a call to excellence in ministry as well sa a guide to empowered preaching teaching healing and leading The House That God Built Zebedee King,2016-02-27 By looking at the nightly news and simply observing for themselves the denigration of homes and communities across our country many would agree that family foundations are cracking and shifting out of place This has resulted in untold devastation within the home and our other social systems therefore many households and lives have simply given way and collapsed under the weight of a host of societal pressures Many believe that a generation of social experimentation along with our cultures fixation at redefining virtually every foundational institution especially the first

human institution marriage are responsible for placing the family and society on very shaky ground indeed leaving a very dubious moral and economic legacy for successive generations When cracks begin to appear upon the walls of a house it may indicate a shifting or damaged foundation which may indicate poor foundation work As a result builders typically reexamine the blueprints the master plan to determine the manner and materials with which the house and foundations built in order to pinpoint and repair a weak or damaged foundation It is the authors conviction that in many households within society weak or faulty spiritual and moral foundations have been laid resulting in the cultural cataclysm we witness throughout our land In his book *The House that God Built Gods Master Plan for Marriage and His Blueprint for Blessing Book One of his Strong Foundation for Strong Families series* the author discusses the need for a RE Vision of marriage and the family but not by redefining replacing or removing these honorable foundations and pillars which have supported societies from the beginning of time Rather by employing the word RE Vision he calls for a refocus a fresh new look at Gods original design for the marriage and family This plan is found in Gods Holy Word specially the first two chapters of the Book of Genesis because this he feels is where marriage family and social systems began Therefore the book is a thorough exposition of the first chapters of Genesis which explore the motivations and the methods through which God Himself built His house the heavens and the earth This study provides keen spiritual and practical insights as to how we can build our homes according to Gods plans so as to receive His best blessings upon our homes and upon our communities **The Spirit-Led Leader** Timothy C.

Geoffrion, 2005-11-14 In our postmodern experience oriented culture people are longing for greater authenticity integrity and depth in their pastors and leaders Board directors church members and staff alike are all eagerly seeking leaders who effectively integrate their spirituality and leadership Pastors and executives however often struggle with knowing how to integrate their spiritual values and practices into their leadership and management roles Designed for pastors executives administrators managers coordinators and all who see themselves as leaders and who want to fulfill their God given purpose *The Spirit Led Leader* addresses the critical fusion of spiritual life and leadership for those who not only want to see results but who also desire to care just as deeply about who they are and how they lead as they do about what they produce and accomplish Geoffrion creates a new vision for spiritual leadership as partly an art partly a result of careful planning and always a working of the grace of God *The Spirit-Led Heart* Suzanne Eller, 2018-05-01 New from Bestselling Proverbs 31 Author Suzanne Eller Without realizing it we ve gotten lost in our own little lives We ve settled for good enough and days that run together in an unmemorable blur We long for something to shake us up but we re exhausted by the thought of it too In her warm vulnerable style bestselling Proverbs 31 author Suzanne Eller shows how living and loving without limits has nothing to do with your own efforts and it has everything to do with God s Holy Spirit Unpacking the promises and teachings Jesus shared with the disciples about the Holy Spirit Suzanne shows how you can stop settling and start truly living When you learn to unwrap the gift of his presence you ll find the world changing foundation shaking soul stirring life of passion and
