Spiritual Bankruptcy:

Spiritual Bankruptcy Ebenezer Gyasi, 2025-09-08 Are you spiritually bankrupt Few questions are more urgent and few answers carry greater weight in the unseen realms This book is not just a teaching manual but a summons into the courtroom of heaven where God is Judge without partiality and where every soul is weighed by Spirit and truth **Spiritual Bankruptcy** Are You Spiritually Bankrupt confronts the illusions of religion the limits of flesh and the dangers of ignorance exposing the crisis of bankruptcy that hides behind activity appetite and pride Most people confuse religion with spirituality Religion may offer robes titles rituals and endless motion but without the Spirit it is form without fire Spirituality when divorced from Christ becomes counterfeit light a parade of soulish experiences that never silence accusations in heaven's court This book forces you to take the test Are you alive in Spirit or only alive in form Do you carry oil in your lamp or are you flickering toward bankruptcy Structured in twelve chapters the book unfolds as a diagnostic journey Section I examines identity bankruptcies when people forget they are spirit starve the eternal and live by illusions of wealth while empty before God Section II confronts flesh bankruptcies where appetite intellect and fading glory masquerade as strength but drain true life Section III exposes knowledge bankruptcies the Hosea 4:6 crisis where lack of knowledge destroys accusations multiply priests fail but repairers of breaches rise to rebuild Each chapter follows a twelve section deep dive wise sayings reflections key teachings devil's secrets biblical precedents warfare realities Kingdom continuity reflection questions prayers and prophetic decrees The aim is not information but transformation not simply to inform the mind but to awaken the spirit and equip the reader for courtroom victory This is not a book of flattery It is a mirror a gavel and an altar It will strip away illusions weigh your life by eternal scales and confront you with the question heaven already asks Are you spiritually bankrupt But it also offers hope the Blood of Jesus still cancels charges the Spirit still seals sons and daughters and the Judge still invites you to exchange emptiness for abundance If you have ever wondered why your prayers feel unheard why cycles repeat why altars remain unbroken or why your faith feels powerless this book provides the test and the tools Take the summons seriously Enter the courtroom Face the verdict Receive the oil For heaven is still asking Are you spiritually bankrupt **Spiritual Bankruptcy**

John B. Cobb JR., 2010-09-01 In these times many people feel that their cherished religious values are held hostage by the forces of secularization and that as a consequence society is morally bankrupt While acknowledging this problem John Cobb overturns the prevailing expectations by drawing a distinction between secularization and secularism Secularization as Cobb uses the term has a prophetic function It is a process by which religion is cleansed and refocused on mission and ministry rather than on other worldly myths and concerns The uncritical understanding of religion that focuses on religion for its own sake is what Cobb calls secularism In Cobb's view secularization has led to secularism or a culture of consumerism that threatens those very religious convictions many hold dear After teasing the concepts of secularization and secularism apart Cobb proposes an alternate path for secularization that will help us reevaluate our relation to our world and each other

"Spiritual Bankruptcy": 'Tapping Into Your Faith, Will Awaken That Dormant Place' Minister Lucky, 2003-09 Have you ever felt as if the faith that brought you to Christ has now been lying in a torpid state That the cares of this life have begun to drain you of the massive abundance that God once spoke into your life Rest a sure children of God you can come back to the intimate place in him that you so carelessly left The lord has given to each one of us a measure of faith we as believers have to simply tap into it and began to exercise that faith We have to remember that our faith is on trial James tells us this very fact in his book We need to be reminded of this daily and allow the lord to come back into the bed chambers and stir up that which once lied dormant Victory is already ours so why have the saints of God stop believing Its simple when the lord allowed me to step back and take a look at where I was and what I had been up too I saw that the enemy had me looking at that which was tangible instead of placing my hopes in the heavenly places I realized that I had to repent and do my first works all over again I am a witness that if you pray the simple pray of belief God will began to manifest him self unto you all over again You will fall in love with him again not for what he can give you or what he has done for you But love him because of who he is God Men and women of God who have been redeemed for ten fifteen and twenty years or more hallelujah can and will be revived
