Lyles,Essie Thibodeaux-Lyles,2000-12 One of the most formidable tasks that an individual faces today is to learn this simple truth That is life is a journey of self realization Getting thoughts create barriers that prohibit understanding An affected person is unconsciously misled to believe that the only reality that exists is the one experienced by the five senses As such spirituality is reduced to a mechanical affair where the soul is bound and heaven is perceived as being a distant place that is unexperienceable until after death The message contained in this book illuminates the idea heaven is a choice and it can be experienced NOW To claim this miracle for self it is necessary to re work the thoughts in the mind Those that create what is not wanted must be let go and as a mother bear protects her cub one must guard the thoughts allowed into the mind Taking personal responsibility is at the heart of this self work This personal revolution is a process Any courageous enough to claim it can expect to create the following intimate social relationships responsive political systems schools that teach children Who They Are and loving families **Keeping the Dream Alive** Robert Dale,2004-12-27 Every church leader knows the necessity and difficulty of maintaining and enhancing morale Visions of service excellent programs and capable personnel are not enough to keep the ship of the church on course if spirit is lacking In *Keeping the Dream Alive* Robert D Dale skillfully analyzes the various factors that determine congregational morale Using the metaphor of weather he discusses such subjects as steering currents seeding the clouds prevailing winds and long range forecasting The result is a book characterized by depth and practicality If you are struggling to keep your congregation on course in fulfilling its mission this book will be an invaluable resource for *Keeping the Dream Alive* **Sacred Space, Sacred Sound** Susan Elizabeth Hale,2013-11-01 Visionary singer Susan Hale believes that early peoples deliberately built their structures to enhance natural vibrations She takes us around the globe from Stonehenge and New Grange to Gothic cathedrals and Tibetan stupas

in New Mexico to explore the acoustics of sacred places But she says you don't have to go to the Taj Mahal The sacred is all around us and we are all sound chambers resonating with the One Song Traveling at the Speed of Love Sonia Choquette, 2011-03-01 New York Times bestselling author A paradigm shifting guide to moving through fear and embracing what matters most in life love When we travel at the speed of love we choose to live in a frequency of unconditional love Today most of us travel at the frequency of fear and live with a victim consciousness When we're traveling at the fear frequency no matter how fast we go we can never get to our destination The victim consciousness is based on the premise I have no choice Traveling at the speed of love means taking our power back We're actually in a different universe when we travel at the speed of love Our world is not a menacing threatening race geared to cheat death It becomes at any moment so satisfying that if this were our last moment on Earth that would be okay This is not to say that change is easy To travel at the speed of love might require a complete paradigm shift in the way you look at your everyday existence In this fascinating book Sonia Choquette provides a practical in the trenches guide that will reveal how you can reprogram your brain and change your life for the better Ask yourself this question What frequency are you traveling on right now **Spiritually Circumcise Your Heart & Mind** Timothy Leigh Walker, 2016-04-27 For over the past sixteen years I have been in the process of writing what God has put on my heart and mind Of course with time both has been through a lot of things changes of life but most importantly the process of being circumcised of the norms of what is being taught in our Sunday schools pulpits and the traditions of men throughout a lot of churches Yes things have changed but the core of what was given me is in full labor ready to be birthed Well those days are over I have to let what is in me out so God can replenish me with a fresh revelation of his Word and plan for mankind His Word never changes but it will impregnate your mind to whereby you are in labor pains to birth that which has been given to you I hope this book will open the eyes and understanding of many answer some questions drive you into the Word and most of all pierce the heart to be more receptacles of the Father Son and Holy Spirit Remember Jesus said in Mark 13:13 And ye shall be hated of all men for my name's sake but he that shall endure unto the end the same shall be saved God is guarantee of deliverance for his children who believe in and on his Son Jesus Christ and because of his love level of victory eternally that his children may have eternal life with him Jesus said in Matthew 24:13 But he that shall endure unto the end the same shall be saved and the opposite of that statement is those who do not endure until the end will not be saved
