Spiritualism In America

Robert S. Cox

Spiritualism In America:

Spiritualism in America Benjamin Coleman, 2023-07-18 A fascinating historical study of the rise and fall of the spiritualist movement in 19th century America Explores the origins and beliefs of this often misunderstood phenomenon and its impact on American culture and society This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant *Talking to the Other Side* Todd Jay Leonard, 2005 Since its birth in 1848 Spiritualism as a religion science and philosophy has experienced great highs and lows At the center of this purely American made modern religious movement are mediums the people who are able to communicate in some way with spirit entities that are no longer on the earth plane Based on three years of on site investigation and a plethora of data and research collected on the modern Spiritualist movement in America *Talking to the Other Side* focuses upon the ethno religious aspects of the religion mediumship and the mediums themselves The first four chapters offer an expansive review of the history of religion in America mediumship and the Spiritualist movement Chapters 5 7 comprise the research and data that were compiled and analyzed based on fieldwork analysis a comprehensive questionnaire personal interviews and published literature on the topic of Spiritualism and mediumship According to Spiritualist mediums people don't die bodies do *Talking to the Other Side* offers a contemporary look into the lives and backgrounds of the mediums who bridge this world and the Spirit world connecting those who have passed over with those they left behind **Spiritualism in America** Benjamin Coleman, 1861 *Radical Spirits* Ann Braude, 2020-05-25 Braude has discovered a crucial link between the early feminists and the spiritualists who so captured the American imagination Los Angeles Times In *Radical Spirits* Ann Braude contends that the early women's rights movement and Spiritualism went hand in hand Her book makes a convincing argument for the importance of religion in the study of American women's history In this new edition Braude discusses the impact of the book on the scholarship of the last decade and assesses the place of religion in interpretations of women's history in general and the women's rights movement in particular A review of current scholarship and suggestions for further reading make it even more useful for contemporary teachers and students It would be hard to imagine a book that more insightfully combined gender social and religious history together more perfectly than *Radical Spirits* Braude still speaks powerfully to unique issues of women's creativity spiritual as well as political in a superb account of the controversial nineteenth century Spiritualist movement Jon Butler Howard R Lamar Professor Emeritus of American Studies History and Religious Studies at Yale University Continually rewarding The New York Times Book Review

A fascinating well researched and scholarly work on a peripheral aspect of the rise of the American feminist movement
 Library Journal A vitally important book that has influenced a generation of young scholars Marie Griffith associate director of the Center for the Study of Religion Princeton University An insightful book and a delightful read Journal of American History
Modern American Spiritualism Emma Hardinge Britten, 1870 **Spiritualism in Antebellum America** Bret E. Carroll, 1997-10-22 At a time when the New Age movement is starting to make good on the Spiritualists vision of America as a grand clairvoyant nation Carroll s work raises provocative questions about the tension between freedom and authority in the harmonial religions of today Church History offers the most comprehensive sane examination of its topic yet available no mean achievement for a subject long afflicted by religious partisanship and now perhaps in danger of sympathetic attraction Journal of American History fascinating reading it will be for those with a taste for good scholarly writing and a love of the American past and the manifold varieties of the spiritual quest The Quest In addition to being an excellent introduction to mid 19th century Spiritualism Carroll s work also offers scholars a new vantage point from which to view the religious creativity that was so prominent in antebellum America in general Choice During the decade before the Civil War a growing number of Americans gathered around tables in dimly lit rooms joined hands and sought enlightening contact with spirits The result was Spiritualism a distinctly colorful religious ideology centered on spirit communication and spirit activity
 Spiritualism in Antebellum America analyzes the attempt by spiritually restless Americans of the 1840s and 1850s to negotiate a satisfying combination of freedom and authority as they sought a sense of harmony with the universe **Early American Spiritualism** Frank Podmore, 2005-12 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work Body and Soul Robert S. Cox, 2003 The statesman and reformer James Oglethorpe was a significant figure in the philosophical and political landscape of eighteenth century British America His social contributions all informed by Enlightenment ideals included prison reform the founding of the Georgia Colony on behalf of the worthy poor and stirring the founders of the abolitionist movement He also developed the famous ward design for the city of Savannah a design that became one of the most important planning innovations in American history Multilayered and connecting the urban core to peripheral garden and farm lots the Oglethorpe Plan was intended by its author to both exhibit and foster his utopian ideas of agrarian equality In his new book the professional planner Thomas D Wilson reconsiders the Oglethorpe Plan revealing that Oglethorpe was a more dynamic force in urban planning than has generally been supposed In essence claims Wilson the Oglethorpe Plan offers a portrait of the Enlightenment and embodies all of the major themes of that era including science humanism and secularism The vibrancy of the ideas behind its conception invites an exploration of the plan s enduring qualities In addition to surveying

historical context and intellectual origins this book aims to rescue Oglethorpe's work from its relegation to the status of a living museum in a revered historic district and to demonstrate instead how modern day town planners might employ its principles Unique in its exclusive focus on the topic and written in a clear and readable style The Oglethorpe Plan explores this design as a bridge between New Urbanism and other more naturally evolving and socially engaged modes of urban development

Radical Spirits Ann Braude, 1998-09 Ann Braude still speaks powerfully to unique issues of women's creativity spiritual as well as political in a superb account of the controversial nineteenth century Spiritualist movement Jon Butler *Radical Spirits* is a vitally important book that has influenced a generation of young scholars Marie Griffith In *Radical Spirits* Ann Braude contends that the early women's rights movement and Spiritualism went hand in hand Her book makes a convincing argument for the importance of religion in the study of American women's history In this new edition Braude discusses the impact of the book on the scholarship of the last decade and assesses the place of religion in interpretations of women's history in general and the women's rights movement in particular A review of current scholarship and suggestions for further reading make it even more useful for contemporary teachers and students

Transatlantic Spiritualism and Nineteenth-Century American Literature B. Bennett, 2007-06-11 This book asks about the cultural and political meanings of spiritualism in the Nineteenth century United States In order to re assess both transatlantic spiritualism and the culture in which it emerged Bennet locates spiritualism within a highly technologized transatlantic capitalist culture

Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Spiritualism In America eBooks, including some popular titles.

FAQs About Spiritualism In America Books

What is a Spiritualism In America PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Spiritualism In America PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Spiritualism In America PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Spiritualism In America PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Spiritualism In America PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
