## **Telling Stories Taking Risks:**

*Taking Risks* Julie Shayne, 2014-06-16 *Taking Risks* offers a creative interdisciplinary approach to narrating the stories of activist scholarship by women. The essays are based on the textual analysis of interviews, oral histories, ethnography, video, storytelling, and theater. The contributors come from many disciplinary backgrounds including theater history, literature, sociology, feminist studies, and cultural studies. The topics range from the underground library movement in Cuba, femicide in Ju rez, community radio in Venezuela, video archives in Colombia, exiled feminists in Canada, memory activism in Argentina, sex worker activists in Brazil, rural feminists in Nicaragua, to domestic violence organizations for Latina immigrants in Texas. Each essay addresses two themes: telling stories and taking risks. The authors understand women activists across the Americas as storytellers who, along with the authors themselves, work to fill the Latin American and Caribbean studies archives with histories of resistance. In addition to sharing the activists' stories, the contributors weave in discussions of scholarly risk-taking to speak to the challenges and importance of elevating the storytellers and their histories.

### **Transformational Preaching**

David M. Brown, 2003-02 *Transformational Preaching* Theory and practice is a comprehensive textbook for the beginning student of preaching, the graduate student in pulpit discourse, or the seasoned preacher. Seeking to reclaim the pulpit for biblical preaching, the book counteracts the popular teaching approach that is common today and argues that preaching must be persuasive rather than informative; that the preacher is central to the act of preaching; and that through the preaching event, both preacher and listener together fashion the message and its meaning. Both theoretical and highly practical, the book offers a challenging look at all aspects of the preaching ministry. It contextualizes preaching in pastoral ministry and congregational worship but most significantly argues that the practice of preaching must be informed and driven by theory. As such, the book draws from a wide perspective of disciplines including biblical theology, classical rhetoric, contemporary human communication, public discourse, persuasion, linguistics, performance, and orality. The book's wealth of practical guidelines for every step of sermon development encourages students to apply general principles within their own contexts of ministry.

*Telling Stories in Book Clubs* Mary Kooy, 2006-08-15 Mary Kooy's *Telling Stories in Book Clubs* gives us a compelling, provocative, and insightful picture of teachers reading, talking, and learning together. By weaving together the responses of the novice teachers' book club, the experienced teachers' book club, and her own thoughtful analyses, Kooy has documented what teacher learning looks like from the inside. This book is a must-read for all those interested in professional development across the lifespan. Marilyn Cochran-Smith, Boston College. Kooy's narrative about book clubs as learning communities makes a significant contribution to both research and practice. Tying together reading, teaching, and learning, the book gives us a superb example of how to nurture the intellectual and relational needs for continuous teacher growth and development. The book is a must for teachers, researchers, and policymakers. Ann Lieberman, emeritus professor from Teachers College, Columbia University, and Senior Scholar at the Carnegie Foundation for the Advancement of Teaching. Mary

Kooy is a gifted writer and teacher She takes the obvious truth that we read books with other people and turns it into a compelling work of professional development We see the communities emerge and coalesce We see the self reflective questioning that is at the heart of all good teaching take shape through interaction and nurturing From the Foreword by Jo Anne Pagano Colgate University     *A Good Telling* Kristin Maier,2014-09 The art of storytelling can enrich any worship service Whether you are reading stories from a picture book or preaching them from memory in the pulpit *A Good Telling* can help you choose meaningful stories and learn how to tell them in powerful ways It explains foundational techniques and provides practice exercises It also offers strategies for successfully incorporating audience participation with children and adults Supplemental material at the back includes a workshop series complete with five ready to go skill building sessions and a model for peer to peer sharing of stories In addition a comprehensive list of resources shows where to find scores of appropriate stories to tell Whether you are a novice or a storytelling veteran *A Good Telling* is an important new addition to any worship leader s library     *Taking Narrative Risk* Lori L. Montalbano-Phelps,2004 This powerful book recounts the process of a study that examines personal narratives of abuse survivors by assessing the relationship between narration and teller empowerment     *Tell Your Story* Alice Fairfax,2023-11-28 No more blank pages no more sweaty palms Filled with behind the scenes stories from a career storyteller at Walt Disney World *Tell Your Story* delivers the secret formula to engage an audience Alice Fairfax provides over 50 tools for not only writing a great story but getting up and delivering one in person or online With wit warmth and plenty of stories *Tell Your Story* helps anyone seeking to overcome the stress and fears of being a great communicator from the weekly social post to the annual board presentation and everything in between

*Badvertising* Jim Morris,2021-05-01 Jim Morris has been responsible for some of the most memorable ad campaigns in history He knows best that bad ads don t just create themselves Part indictment on the advertising industry part cautionary tale on what not to do with your ads Jim pulls no punches to better ad people everywhere How many ads have you seen that made you question the intelligence of whomever designed it Probably too many If every ad person read *Badvertising* the world would be a more intelligent and prosperous place Jonah Berger New York Times bestselling author of *Contagious* and *The Catalyst* Incisive and daring *Badvertising* is the only book you need to truly understand both the inner workings of America s ad agencies and the minds of those who never cease to astound us with both their creative genius and profound stupidity After just one reading you ll never see advertising the same way again Drew Eric Whitman bestselling author of *Cashvertising* How can the ad industry even exist when almost all of the products that it produces fall on a continuum from flawed to failed What is it about this industry and the process of creating selling and producing ads that causes so much advertising to be so bad These are the questions answered in *Badvertising* A provocative truth to power expos of ad agencies flaws foibles and failings and why they matter to the consumer and to those in the business Morris an advertising legend known as Tagline Jim surveys myriad advertising agents of stupidity Hilarious horrifying and insightful each chapter is a

**on Becoming A Language Educator** Christine Pears Casanave, Sandra R. Schecter, 2012-11-12 These personal essays by first and second language researchers and practitioners reflect on issues, events and people in their lives that helped them carve out their career paths or clarify an important dimension of their missions as educators. Their narratives depict the ways in which professionals from diverse backgrounds and work settings have grappled with issues in language education that concern all of us: the sources and development of beliefs about language and education; the constructing of a professional identity in the face of ethical and ideological dilemmas; and the constraints and inspirations of teaching and learning environments. They have come together as a collective to engage in a courageous new form of academic discourse, one with the potential to change the field. Many of the authors write their stories of having begun their work with voices positioned at the margins. Now, as established professionals, they feel strong enough collectively to risk the telling and, through their telling, to encourage other voices. This volume is intended to provide graduate students, teachers and researchers in language education with insights into the struggles that characterize the professional development of language educators. Both readers and contributors should use the stories to view their own professional lives from fresh perspectives and be inspired to reflect in new ways on the ideological, ethical and philosophical underpinnings of their professional personae.

**Principles of Risk Analysis** Charles Yoe, 2019-01-30 In every decision problem, there are things we know and things we do not know. Risk analysis science uses the best available evidence to assess what we know while it is carefully intentional in the way it addresses the importance of the things we do not know in the evaluation of decision choices and decision outcomes. The field of risk analysis science continues to expand and grow, and the second edition of *Principles of Risk Analysis: Decision Making Under Uncertainty* responds to this evolution with several significant changes. The language has been updated and expanded throughout the text, and the book features several new areas of expansion, including five new chapters. The book's simple and straightforward style, based on the author's decades of experience as a risk analyst, trainer and educator, strips away the mysterious aura that often accompanies risk analysis. Features: Details the tasks of risk management, risk assessment and risk communication in a straightforward conceptual manner. Provides sufficient detail to empower professionals in any discipline to become risk practitioners. Expands the risk management emphasis with a new chapter to serve private industry and a growing public sector interest in the growing practice of enterprise risk management. Describes dozens of quantitative and qualitative risk assessment tools in a new chapter. Practical guidance and ideas for using risk science to improve decisions and their outcomes is found in a new chapter on decision making under uncertainty. Practical methods for helping risk professionals to tell their risk story are the

focus of a new chapter Features an expanded set of examples of the risk process that demonstrate the growing applications of risk analysis As before this book continues to appeal to professionals who want to learn and apply risk science in their own professions as well as students preparing for professional careers This book remains a discipline free guide to the principles of risk analysis that is accessible to all interested practitioners Files used in the creation of this book and additional exercises as well as a free student version of Palisade Corporation's Decision Tools Suite software are available with the purchase of this book A less detailed introduction to the risk analysis science tasks of risk management risk assessment and risk communication is found in Primer of Risk Analysis Decision Making Under Uncertainty Second Edition ISBN 978 1 138 31228 9

**Women Taking Risks in Contemporary Autobiographical Narratives** Kenneth Reeds, Anna Rocca, 2013-10-03 Women Taking Risks in Contemporary Autobiographical Narratives explores the nature and effects of risk in self narrative representations of life events and is an early step towards confronting the dearth of analysis on this subject The collection focuses on risk taking as one of women's articulations of authorial agency displayed in literary testimonial photographic travel and film documentary forms of autobiographical expression in French Among many themes the book fosters discussion on matters of courage strength resilience freedom self fulfillment political engagement compassion faith and the envisioning of unconventional alliances that follow a woman's stepping out of her comfort zone The fourteen essays included in this collection discuss works of women authors from North Africa Sub Saharan Africa France and the Caribbean They exemplify a variety of self narratives that blur unified conceptualizations of both identity and national belonging They address questions about women writers attitudes towards risk and their willingness to change the status quo They also explore the many personal and public forms in which agency manifests through risk taking engagements the ways in which women challenge the conventional wisdom about feminine reserve and aversion to danger the multiplicity of seen and unforeseen consequences of risk taking the all too frequent lack of recognition of female courage the overcoming of obstacles by taking risks and frequently the amelioration of women's lives Addressing both the broader context of the study of risk and the more specific areas of female expression and autobiography in Francophone cultures this collection is attractive to a diverse audience with the potential to cross disciplines and inform a wide body of research A number of the essays deal with issues born in postcolonial circumstances This examination of the elucidation of marginalized voices should prove enlightening to an array of scholars researching specific ethnic sexual gender and general subjects related to identity In making inroads towards expanding the well developed area of risk studies into the humanities this collection makes an important contribution that has the potential to promote a variety of cross disciplinary research including examinations of the psychology and sociology behind chauvinism personal expression and formative experiences

**Trauma and Coping Mechanisms among Assemblies of God World Missionaries** Valerie A. Rance, 2021-12-21 Trauma from the fall of Adam and Eve forward impacts human lives in overpowering ways A review of the lives of biblical personalities and missionaries

reveals shared traumatic experiences In addition to the stress of cultural adjustment missionaries often live in contexts of violence political unrest economic instability natural disasters and relational conflict The examined biblical personalities faced similar issues yet a majority coped with trauma in ways that led to well being The proposed biblical theory of well being assists missionaries to move deeper in their trust of God by utilizing the coping skills of the biblical personalities including asking God for help lifting up their praise and worship to God standing on a sense of call working with God lamenting venting to God in healthy ways embracing a theology of suffering and accepting assistance from friends and family The adherence to the constructs of this theory protects missionaries from the ravages of psychological trauma by avoiding negative coping and developing positive coping skills that lead to trusting in the only One who gives hope in seemingly hopeless situations The Financial Security Bible Mike Summey,2018-10-09 Take a journey through life with Mike Summey and you ll never view money and finances the same way again You ll learn what financial independence really is and how to overcome the problems and obstacles that keep most people from ever achieving it In the Financial Security Bible Mike chronicles his journey from the poverty stricken coal fields of southern West Virginia to wealth and financial independence He does this by using parables and stories that teach you how to extract life lessons from personal experiences and how to put these lessons to work to build wealth and be happy The first sentence explains Mike s feelings about sharing his knowledge This book could easily be the best investment you will ever make Mike Summey is an entrepreneur in the truest sense of the word He is a successful author speaker business owner and investor who lives on a beautiful private gated estate flies his own propjet and has all the trappings of wealth but it s not because of his high paying job it s because of the income stream he has accumulated from his investments Rarely does someone with his real world experience have the ability or desire to share what they have learned in the process of earning a PhD from the University of Hard Knocks **Why School**

**Communication Matters** Kitty Porterfield,Meg Carnes,2014-07-07 Why School Communication Matters is an easy to use reference for the communication dilemmas that superintendents principals and other school leaders face today as they lead faculty and staff parents and students neighbors and community leaders This newly revised edition incorporates the monumental technological changes including social media that are reframing the way we think and work The book deals with real life challenges and offers practicable solutions Demonstrates how school leaders can design effective two way communication strategies with their own communities because one size no longer fits all Draws from some of the best research in school communication and business leadership Offers a framework of ideas on which school leaders can hang their strategic plans Examines real challenges from battles with angry parents to the effective use of data to the management of a major crisis and links these challenges to larger leadership issues Includes up to the minute information and fresh statistics on today s social media and community outreach Is a boots on the ground field guide of proven strategies to meet the needs of practitioners who work on the front linesIs a reference book for both new and seasoned school leadersIs a

textbook for those aspiring to school leadership positions      **Experiments in Love** Emily Ralph Servant, 2021-03-12 Could it be that the stories we tell in our churches weaken our efforts to be congregations who take risks in mission for the sake of love In this thought provoking book Emily Ralph Servant suggests that the work of today's leaders is to explore new stories listen to new voices and open ourselves up to the Spirit's work of transformation Experiments in Love engages in a three way dialogue with feminist and liberation theologians the social and behavioral sciences and the Anabaptist tradition Out of this vibrant conversation emerges the story of a God who takes the risk of being radically present to a vulnerable world Because of God's courageous presence with us we can also take the risk of being vulnerably present to others as God invites us all to participate in God's community of life love and flourishing
