Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice

Michael Kirwan

Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice:

The Temple of Jesus Bruce Chilton, 1992 The first study to develop a theory of sacrifice and then apply it to the sources of early Judaism as well as Jesus's activity Ritual sacrifice was one of the greatest concerns and most widely shared activities among Jews prior to the destruction of the Temple in Jerusalem There is therefore a pressing need for systematic understanding of sacrifice both as an element of Judaic religion and a context for Jesus's activity The Temple of Jesus provides a theoretical model of sacrifice and develops that model to analyze classic texts from the Hebrew Scriptures and the Jewish War of Josephus and it argues that Jesus can only be appreciated as driven by a program to enact his own conception of Israel's purity in sacrifice in order to occasion the disclosure of God's kingdom Chilton contends that sacrifice is construed as a fundamentally social pre-civilized activity involving pragmata as defined as pure an emotional affect for participants and an ideology according to which sacrifice occasions a change of life in the community thus rejecting current anthropological studies that attempt to explain sacrifice genetically He shows that texts from Ezekiel Leviticus and Deuteronomy share a conviction that the covenant with Israel ensures the validity of sacrifice even as they define purity in various ways and emphasize differing affects of sacrifice Finally Chilton provides a new approach to Jesus comparing and contrasting his occupation of the Temple with the cultic activities of prominent Pharisees of his period Sacred Violence in Early America

Susan Juster, 2016-04-20 Susan Juster explores different forms of sacred violence blood sacrifice holy war malediction and iconoclasm to uncover how European traditions of ritual violence developed during the Reformation were introduced and ultimately transformed in the New World Discovering Girard Michael Kirwan, 2005-08-25 Really wonderful an elegantly written initiation into the mimetic theory I am lucky to have interpreters who understand what I want to say and who can write so well Ren Girard The work of Ren Girard is hugely influential in literature and cultural studies But it is in understanding the relationship between religion and violence that his theory has created its greatest impact Girard's understanding of mimetic rivalry and conflict and of scapegoating is seen by many to be the key to a completely new understanding of Christianity Girard's name evokes curiosity and often strong feelings among devotees and skeptics Discovering Girard is the first book to present Girard's work to a wider audience It explains and appraises Girard's mimetic theory shows its impact on theology and other disciplines and manages to convey the excitement that a discovery of Girard's ideas often generates in readers The Quest for Context and Meaning Talmon, Craig A. Evans, 2021-11-15 This collection of studies is published in honor of Professor James A Sanders a leading scholar in the fields of the canon of Scripture textual criticism and the relationship of the two Testaments Contributors include leading scholars in these and related fields of study The studies investigate in what ways the early sacred tradition was interpreted and how this tradition takes new shape in the Jewish and Christian communities of faith Included are studies of Jesus understanding of Scripture Paul's interpretation of Scripture and the ways in which Scripture was interpreted by the Rabbis In many instances novel interpretations and new

approaches to old problems are offered Advanced students and veteran scholars will enjoy the many insights and provocative new ideas God in Early Christian Thought Andrew McGowan,Brian Daley,Timothy Gaden,2009-05-31 While the diversity of early Christian thought and practice is now generally assumed and the experiences and beliefs of Christians beyond the works of great theologians increasingly valued the question of God is perennial and fundamental These essays individually modest in scope seek to address that largest of questions using particular issues and problems or single thinkers and distinct texts They include studies of doctrine and theology as traditionally conceived but also of understandings of God among the early Christians that emerge from study of liturgy art and asceticism and in relation to the social order and to nature itself

Dictionary of Jesus and the Gospels (2nd edn) J B GREEN,J BROWN,N PERRIN,2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus s day has advanced in ways that could not have been predicted in Hastings s day But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors teachers students and lay people desiring in depth treatment of select topics in an accessible and summary format The topics range from cross sectional themes such as faith law Sabbath to methods of interpretation such as form criticism redaction criticism sociological approaches from key events such as the birth temptation and death of Jesus to each of the four Gospels as a whole Some articles such as the Dead Sea Scrolls rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man ancient rhetoric and the chreiai Contemporary concerns of general interest are discusses in articles covering such topics as healing the demonic and the historical reliability of the Gospels And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church Types of Authority in Formative Christianity and Judaism Bruce Chilton,Jacob Neusner,2002-01-22 Bruce Chilton and Jacob Neusner study the points of comparisons and contrast between formative Christianity and Judaism By identifying three categories of authority in each of the two religious worlds they show how they have both worked in compelling or failing to get someone to do a given action The arguments are introduced by a general discussion of the founding figures of the two religions Moses and Jesus and how their inherent authority distilled itself through the structure of their religious institutions and intellectual thoughts

Engaging the Doctrine of Jesus (and Mary) Matthew Levering, 2025-03-10 The six chapters of this book focus upon Jesus conception and birth from a virgin his authoritative teaching his miracles his cross his resurrection and his ascension The purpose of the book is to articulate and defend the truth of these salvific mysteries as presented to us in Scripture In addition to conversing extensively with historical critical biblical scholarship the chapters make recourse to the theological tradition from the church fathers onward with Thomas Aquinas as a touchstone Levering seeks to make a case for believing in Jesus At the same time he shows how each of these mysteries is intimately linked with a truth about Mary the Mother of Jesus thus arguing for the integral relationship of Christology and Mariology Mary enacts the reception of the Lord by God s faithful people the New Adam never chooses to be without the New Eve in God s new covenant family The Christology offered in this book is therefore both attuned to historical studies of Jesus and Second Temple Judaism and at the same time deeply traditional in a contemporary Catholic and ecumenical way *The Background and Content of Paul's Cultic Atonement Metaphors* Stephen Finlan, 2004

The Use of Sacred Books in the Ancient World Leonard Victor Rutgers, 1998 In this volume a number of scholars from Israel the USA and England have joined forces with the well known Utrecht University Research Unit The Cultural Milieu of Early Christianity to investigate in an unprecedentedly interdisciplinary fashion how sacred books functioned in pagan Jewish and Christian circles The 16 essays cover a wide range of topics including a discussion of emergence of canonical scriptures in late antiquity an investigation of parallels between exegesis of Homer by the Greeks and that of the Bible by the Jews a study of the rise of Virgil s Aeneid to the status of canonical book a discussion of the use of sacred books as instant oracles an investigation of the role of the Bible in polemics between Jews and Christians an analysis of the wide variety of quotation formula s used by New Testament authors a discussion of the role of biblical interpretation in the thought world of Jesus brother James an investigation of the function of Scripture in the midrash Aggadat Bereshit and other topics [Understanding Religious Sacrifice](#) Jeffrey Carter, 2003-03-31 This volume provides a thorough introduction to the major classic and modern writings dealing with religious sacrifice Collected here are twenty five influential selections each with a brief introduction addressing the overall framework and assumptions of its author As they present different theories and examples of sacrifice these selections also discuss important concepts in religious studies such as the origin of religion totemism magic symbolism violence structuralism and ritual performance Students of comparative religion ritual studies the history of religions the anthropology of religion and theories of religion will particularly value the historical organization and thematic analyses presented in this collection

The Provo International Conference on the Dead Sea Scrolls Donald Parry, Eugene Ulrich, 2018-12-24 This volume contains the published proceedings of the conference on the Dead Sea Scrolls held at Provo Utah July 15 17 1996 Forty three articles all dealing with various aspects of the Scrolls are placed under the following divisions Technology Editions and Analyses of Texts The Qumran Community Calendar Levi and the Priesthood Messianism and Eschatology and Wisdom and Liturgy The volume

offers the most recent scholarship on a number of issues and topics pertaining to the Qumran community newly translated biblical and non biblical texts and technological advances that assist scholars and researchers in accessing and studying the scrolls The section that pertains to technology for example focuses on DNA techniques to analyze Scroll fragments and an imaging radar system that has archaeological applications to Qumran and its environs Another section addresses the question of how and where the Qumranites lived and speaks concerning Qumran names *Jesus the Messiah* Robert H. Stein,2009-08-20 In this accessible introduction to Jesus Christ Robert Stein draws together the results of a career of research and writing on Jesus and the Gospels Now in paperback this classic textbook is clearly written ably argued and geared to the needs of students giving probing minds a sure grounding in the life and ministry of Jesus **Girard and Theology** Michael Kirwan,2009-04-12 A profound introduction to how the work of Rene Girard has had implications for new theological concepts on atonement and sacrifice Scripture and Traditions Patrick Gray,Gail R. O'Day,2008-12-31 This volume contains twenty two essays in honor of Carl R Holladay whose work on the interaction between early Christianity and Hellenistic Judaism has had a considerable impact on the study of the New Testament The essays are grouped into three sections Hellenistic Judaism the New Testament in Context and the History of Interpretation Among the contributions are essays dealing with conversion in Greek speaking Judaism and Christianity 3 Maccabees as a narrative satire retribution theology in Luke Acts church discipline in Matthew the Exodus and comparative chronology in Jewish and patristic writings corporal punishment in ancient Israel and early Christianity and Die Judenfrage and the construction of ancient Judaism

Reading Ritual Wesley J. Bergen,2005-05-05 This book draws on a variety of disciplines to undertake a unique analysis of Leviticus 17 Rather than studying the rituals prescribed in Leviticus as arcane historical theological texts of little interest to the modern reader or as examples of primitive rituals that have no parallel in Western society this book provides many points of contact between animal sacrifice rituals and various parts of post modern society Modern rituals such as Monday Night Football eating fast food sending sons and daughters off to war and even the rituals of modern academia are contrasted with the text of Leviticus In addition responses to Leviticus among modern African Christians and in the early church are used to draw out further understandings of how the language and practice of sacrifice still shapes the lives of people This study takes a consciously Christian perspective on Leviticus Leviticus is assumed to be an ongoing part of the Christian Bible The usual Christian response to Leviticus is to ignore it or to claim that all sacrifice has now been superseded by the sacrifice of Jesus This study refutes those simplistic assertions and attempts to reassert the place of Leviticus as a source for Christian self understanding This is volume 417 of JSOTS and volume 9 of Playing the Texts **Dictionary of New Testament**

Background CRAIG A EVANS,STANLEY E PORTER,2020-05-21 The Dictionary of New Testament Background joins the Dictionary of Jesus and the Gospels the Dictionary of Paul and his Letters and the Dictionary of the Later New Testament and its Developments as the fourth in a landmark series of reference works on the Bible In a time when our knowledge of the

ancient Mediterranean world has grown this volume sets out for readers the wealth of Jewish and Greco Roman background that should inform our reading and understanding of the New Testament and early Christianity The Dictionary of New Testament Background takes full advantage of the flourishing study of the Dead Sea Scrolls and offers individual articles focused on the most important scrolls In addition the Dictionary encompasses the fullness of second temple Jewish writings whether pseudepigraphic rabbinic parables proverbs histories or inscriptions Articles abound on aspects of Jewish life and thought including family purity liturgy and messianism The full scope of Greco Roman culture is displayed in articles ranging across language and rhetoric literacy and book benefactors travel and trade intellectual movements and ideas and ancient geographical perspectives No other reference work presents so much in one place for students of the New Testament Here an entire library of scholarship is made available in summary form The Dictionary of New Testament Background can stand alone or work in concert with one or more of its companion volumes in the series Written by acknowledged experts in their fields this wealth of knowledge of the New Testament era is carefully aimed at the needs of contemporary students of the New Testament In addition its full bibliographies and cross references to other volumes in the series will make it the first book to reach for in any investigation of the New Testament in its ancient setting

Jesus and Purity Halakhah Thomas Kazen, 2021-12-03 This study traces Jesus attitude to impurity within the historical context at the end of the Second Temple period when practices of ritual purity came to play an increasing role in Jewish society and an expansionist trend gained in influence and support The traditional focus on sayings material and criteria of authenticity in historical Jesus research is modified narrative traditions with implicit purity issues are appealed to and extra canonical traditions are included The main areas examined are the most important fathers of impurity leprosy skin diseases genital discharges and corpse contamination Jesus is found to have acted in ways that could have been understood by some of his contemporaries as indifference to these types of impurity His behaviour is shown on several points to clash with current purity halakhah and dominant expansionist ideals In an attempt to interpret his actions within the Jewish context and culture of the Second Temple period three explanatory models are provided Jesus attitude can be seen as part of a moral trajectory in Judaism It can be understood as a response to a regional Galilean dilemma It can be viewed in a power perspective as an expression of Jesus eschatological struggle against demonic evil The result is that Jesus may be understood as operating within the purity paradigm of his time yet seemingly indifferent in the eyes of some pushing it to the breaking point Such a reconstruction makes subsequent developments intelligible in which various Christian currents drew conflicting conclusions Those looking to Jesus behaviour for some sort of guidance today may perhaps find contemporary analogies

"Non-canonical" Religious Texts in Early Judaism and Early Christianity Lee Martin McDonald, James H. Charlesworth, 2012-03-29 This volume draws attention to ancient religious texts especially the so called non canonical texts by focusing on how they were used or functioned in Early Judaism and Early Christianity The contributors are biblical scholars who have chosen one or more Jewish or Christian

apocryphal or pseudepigraphical texts with the aim of describing their ancient functions in their emerging social settings. These show the fluidity of the notion of scripture in the early centuries of the Church and in Judaism of late antiquity but they also show the value of examining the ancient religious texts that were not included in the Jewish or Christian biblical canons. These chapters show that there is much that can be learned from examining and comparing these texts with canonical literature and evaluating them in their social context. No ancient text was created in a vacuum and the non canonical writings aid in our interpretation not only of many canonical writings but also shed considerable light on the context of both early Judaism and early Christianity.

Bloodless Atonement? Benjamin J. Burkholder, 2017-06-27. Does the Messiah have to die to pay for his people's sins? Is the cross of Jesus an atoning sacrifice? In recent decades a burgeoning number of theologians have answered the aforementioned questions in the negative. In fact some like Rene Girard have gone so far as to assert that seeing the cross as an atoning sacrifice undermines the very essence of the New Testament Gospels. While Girard and others following in a similar vein have offered provocative alterations to soteriology that no longer need Jesus's death to acquire forgiveness from God, does a bloodless atonement have biblical support? Does a nonviolent understanding of the atonement harmonize with the Gospels? This particular volume answers these questions with a fresh look at the Synoptic portraits of the Last Supper accounts. In them Jesus expounds upon the significance of his death by using the Passover symbols of bread and wine. More importantly in these passages in the Gospels we find the fullest articulation of how Jesus's death benefits his followers. Holding a wealth of dense theological riches, these passages provide theological parameters that can inform contemporary soteriological development, especially that which appeals to the New Testament for its basis. Conversant with both biblical studies and contemporary theology, the work seeks to bring the best of both fields into conversation in productive new ways.

Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice Introduction

In the digital age, access to information has become easier than ever before. The ability to download Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice has opened up a world of possibilities. Downloading Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Temple Of Jesus His Sacrificial Program

Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice

Within A Cultural History Of Sacrifice has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice Books

1. Where can I buy Temple Of Jesus His Sacrificial Program Within A Cultural History Of Sacrifice books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
