Sexual Hospitality in the Hebrew Bible Thalia Gur-Klein, 2014-10-20 A woman's life in the ancient world was constrained by her social and economic status As a daughter she was firmly under the aegis of her father and brothers who would later allocate the woman to another man as his wife The power of fathers and husbands extended to using their wives and daughters as sexual gifts to gain favour Yet alongside this woman had certain socio economic rights notably concerning inheritance and property which they could use to protect themselves Sexual Hospitality in the Hebrew Bible examines sacred sexuality and ritual fecundity from patronymic marriage where the husband claims exclusive rights over his wife's sexuality and attributes her offspring to his line and kin to metronymic conjugal systems which allow a woman to remain in her home where the male consort joins her and her kin Ranging across abstention promiscuity and holy offering the sexual lives of women in biblical times reveal not only restriction but also female agency and resistance

Defeated Muslim Jihad Mohammad Babantaj, 2021-04-30 The novel *Defeated Muslim Jihad* is based on the realities and living in our century when human beings die in captivity of religion and under the shoes of clerics of religions and sects And they do not pass over any human being prophets or God and they sacrifice the world and humans and humanity for their souls and desires in order to achieve their evil gratification In order to reach Satan and rely on the seat of Satan's power and place his crown on their heads and take the power over the world not only do they sacrifice human beings for their aspirations but even sacrifice God and prophets for their satanic aspirations and souls behind the stronghold of religion and in the clothes of the prophets
