Ten Hands For God:

Ten Hands for God Joseph Harry Haines, 1982 **The Stand** Scott Burgess, Scott Burgess has crafted a most intriguing commentary on Revelation's Old Testament counterpart Readers will treasure The Stand Jesus in the Book of Daniel for its educational and devotional value It not only aids in deciphering mysteries and symbols but also encourages and promotes complete dedication to our Lord and Savior as it highlights the central theme of standing unsullied in the end time judgment The author upholds the traditional Adventist methodology of allowing Scripture to interpret itself and looking to history to confirm fulfilled prophecy With that said he also introduces a number of fresh insights He highlights fascinating linguistic and conceptual connections with other portions of Scripture that many of us have not identified before Those who pore over this tome will find a number of areas they readily agree with and other areas that will require prayerful reflection before forming a decision but nearly all will acknowledge Burgess skillful manner of provoking prayerful thought and contemplation What makes any book like this truly worthwhile is the presence of Christ Burgess stresses the ubiquity of His manifestation throughout the book as the One who rules the universe past present and future and as the One who empowers His people to withstand the fiercest opposition for the sake of faithfulness to Him and His commandments Jesus offers the same empowerment to us especially as imminent events parallel what the four Hebrews experienced This 2 500 plus year old document speaks to us today Cult As the Catalyst for Division Paul Heger, 2007 Conflicting rules of the correct procedures of the Temple cult whose significance demanded absolute exactitude and uniformity precluded common public rituals and created the schism **Wise Man from the East: Lit-sen Chang (Zhang Lisheng)** Lit-sen Chang, 2013-08-02 How should Christianity relate to Chinese culture That question has engaged the minds of both Chinese and Western Christians for several centuries Lit sen Chang 1904 1996 was brought up as a Buddhist and educated in the Confucian classics as well as in modern political philosophy He later delved deeply into Daoism as well After World War II he founded Jiangnan University in order to exterminate Christianity and revive Eastern religion Conversion to Christianity in 1950 radically altered the course of his life He studied at Gordon Conwell Theological Seminary and then joined the faculty teaching missions and writing prolifically on theology and apologetics especially on the relationship of Christianity to Chinese culture His Critique of Indigenous Theology and Critique of Humanism are published here in English for the first time and provide excellent examples of his wide learning insightful analysis powerful writing and firm commitment to historic Christianity **A View of the History, Literature, and Religion of The Hindoos** William Ward, 2025-09-25 Reprint of the original first published in 1863 The Antigonos publishing house specialises in the publication of reprints of historical books We make sure that these works are made available to the public in good condition in order to preserve their cultural heritage **The Lives of the Wise in an Anti-God World** Michael Kenneth Wilson, 2020-12-21 A world in which the lives of people are threatened and controlled either by an unpredictable megalomaniac or by a cold unyielding legal system A world of

political skulduggery A world in which people experience a personal identity crisis and the rejection of their values and beliefs A world in which they face intimidation and bullying and an intense pressure to conform A world of ominous dreams and life threatening situations Sound familiar This book will help you to negotiate your way through such a world because it is the very world which confronted Daniel and his friends
