Spiritual Growth Paul Steinberg, 2018-09-30 This book began with Paul Steinberg's realization that although religions are struggling to meet the needs and trends of our modern age spirituality is not Its contemporary manifestations continue to thrive and Jews can be found throughout all varieties of spiritual leadership in America Facing the fact that for whatever reason Jewish leaders simply have not done a good job of translating the ancient spiritual wisdom of their beliefs into contemporary language and images that resonate with mass appeal Rabbi Steinberg knew that the faith of his fathers was ready for a new spiritual message And so he has written it a message that is both particular to Judaism and uses Jewish language and text as starting points for a view that is universal enough to include spiritual concepts terms and expressions from many other spiritual traditions *Spiritual Growth A Contemporary Jewish Approach* provides both a language and a set of Jewish spiritual principles that are accessible and integrated with contemporary life as well as being deep and authentically real i e not dumbed down for anyone It is a work that emerged out of Rabbi Steinberg's own personal experiences pains and spiritual journey the trials and growth documented in his highly successful book *Recovery the 12 Steps and Jewish Spirituality* There are not a lot of works like this There are books on Jewish scholarship history and theology But books on Jewish spirituality tend usually to focus on a particular motif such as the feminine grief aging or Kabbalistic biblical interpretations *Spiritual Growth A Contemporary Jewish Approach* presents its message through the psycho spiritual world view of 2018 but without the language and narrative of a therapist It is an important contribution to the spiritual seeking community at large to Jews who have become alienated from their faith and to anyone interested in learning more about what a historically vibrant spirituality can bring to today's troubled world

Meetings Martin Buber,2013-09-13 Meetings sets forth the life of one of the twentieth century s greatest spiritual philosophers in his own words A glittering series of reflections and narratives it seeks not to describe his life in its full entirety but rather to convey some of his defining moments of uncertainty revelation and meaning Recalling the question on the infinity of space and time which nearly drove Buber to suicide at the age of fourteen his adolescent seduction by Nietzsche s work his hero worship of Ferdinand Lassalle and his love of Bach s music Meetings has no equal as a portrait of an unique intellect in progress Like Buber s great works Between Man and Man and The Way of Man it evokes a tactile earthly concept of meaning ultimately found as Maurice Friedman writes in his introduction not in conceptual or systematic thought but in the four dimensional reality of events and meetings

A Christian attending Bible study at a synagogue learns to love and appreciate Judaism while deepening his Christian faith. **UNFINISHED JOURNEY** Simon Glustrom, 2014. *Recovery, the 12 Steps and Jewish Spirituality* Rabbi Paul Steinberg, 2014-10-03. A major new Jewish contribution to 12 Step spirituality. Claim the spiritual freedom that waits beyond the suffering and slavery of addiction. One of the important similarities between AA and Jewish spirituality is the statement in Step 12 to practice these principles in all our affairs. There is no dichotomy of sacred versus secular. Jewish spirituality applies to how we eat, sleep, work, socialize, and recreate. There is nothing that is external to the relationship of human being to God. From the Foreword. This easy-to-read exploration from a Jewish perspective is the first comprehensive approach to successfully integrate classic Jewish spirituality with the 12 Steps of Alcoholics Anonymous (AA) and other recovery resources. With clarity and passion, Rabbi Paul Steinberg masterfully weaves traditional Jewish wisdom with the experience, strength, and hope of AA. He draws on Jewish resources, theological, psychological, and ethical, that speak to the spiritual dimension of the disease and shows how the principles of Jewish spiritual recovery directly align with those of the AA 12 Steps. Along the way, he courageously shares his own personal struggles with alcoholism and addiction in a way that will help others find guidance and a new life path and stay on it. *The Mystical Origins of Hasidism* Rachel Elijor, 2006-11-28. This very accessible introduction to Hasidism as a movement opens a new window on its mystical underpinnings. It discusses the origins and dissemination of Hasidism and the literature that facilitated this, the theological basis of Hasidism, and the mystical significance of the tsadik, the major figures of Hasidism, and the complex links to Kabbalah and Sabbatianism. The discussion of the intellectual and social implications highlights the eighteenth century as a key period in modern Jewish history. **Recharging Judaism** Rabbi Judith Schindler, Judy Seldin-Cohen, 2017-12-04. *Recharging Judaism* is the essential and timely guide for every synagogue and community seeking to strengthen the bonds of Jewish communal life through advocating for social justice. This volume delves into the enriching civic engagement and acts of righteousness already undertaken by Jews and Jewish communities across the country and further explores the positive differences we can all affect upon the future of America.
