Tennessee Williams Twaynes United States Author Series 10:

Tennessee Williams Philip Kolin, 1998-10-28 The plays of Tennessee Williams are some of the greatest triumphs of the American theatre If Williams is not the most important American playwright he surely is one of the two or three most celebrated rivaled only by Eugene O'Neill and Arthur Miller In a career that spanned almost five decades he created an extensive canon of more than 70 plays His contributions to the American theatre are inestimable and revolutionary *The Glass Menagerie* 1945 introduced poetic realism to the American stage *A Streetcar Named Desire* 1947 explored sexual and psychological issues that had never before been portrayed in American culture *Cat on a Hot Tin Roof* 1955 dared to challenge the political and sexual mores of the Eisenhower era and his plays of the 1970s are among the most innovative works produced on the American stage But Williams was far more than a gifted and prolific playwright He created two collections of poetry two novels four collections of stories memoirs and scores of essays Because of his towering presence in American drama Williams has attracted the attention of some of the most insightful scholars and critics of the twentieth century The 1990s in particular ushered in a renaissance of Williams research including a definitive biography a descriptive bibliography and numerous books and scholarly articles This reference book synthesizes the vast body of research on Tennessee Williams and offers a performance history of his works Under the guidance of one of the leading authorities on Williams expert contributors have written chapters on each of Williams works or clusters of works Each chapter includes a discussion of the biographical context of a work or group of writings a survey of the bibliographic history an analysis of major critical approaches which looks at themes characters symbols and plots a consideration of the major critical problems posed by the work an overview of chief productions and film and television versions a concluding interpretation and a bibliography of secondary sources The volume concludes with a selected general bibliography and a comprehensive index *Tennessee Williams's The Glass Menagerie* Harold Bloom, 2007 Premiering in 1944 *The Glass Menagerie* was Tennessee Williams's first popular success Today the play is considered one of Williams's masterpieces and is frequently performed This updated volume is an essential resource for those seeking to deepen their appreciation of this fascinating character study Book jacket

The Vital Lie Anthony S. Abbott, 2003-08-08 The Vital Lie is the first book to examine the reality illusion conflict in modern drama from Ibsen to present day playwrights The book questions why vital lies necessary for life itself are such an obsessive concern for playwrights of the last hundred years Using the work of fifteen playwrights Abbott seeks to discover if modern playwrights treat illusions as helpful or necessary to life or as signals of sicknesses from which human beings need to be cured What happens to characters when they are forced to face the truth about themselves and their worlds without the protection of their illusions The author develops a three part historical analysis of the use of the reality illusion theme from its origins as a metaphysical search to its current elaborations as a theatrical game *Public Library Catalog*, 1999
