administered System but surprisingly they witnessed contrasting outcomes While accounting for the yawning performance gap between India and South Korea this book introduces a political economy approach to better understand the efficiency of financial systems It argues that the Functional Efficiency of finance is not solely dependent on the structures of finance alone but it also lies in the wider political economic context and its relations with the market *The Indian Economy Since 1991: Economic Reforms and Performance* B. insurgency gained new life elsewhere in India In fact this revolt has turned out to be the world s longest running people s war and Naxalbari has come to stand for the road to revolution in India What has gone into the making of this protracted Maoist resistance Bernard D Mello s fascinating narrative answers this question by tracing the circumstances that gave rise to India s 1968 decade of revolutionary humanism and those that led to the triumph of the 1989 era of appallingly unequal growth condoned by Hindutva nationalism the Indian variant of Nazism Will what remain of India s continuing 1968 bring twenty first century New Democracy to the collective agenda Or will the ongoing regression of 1989 lead the way to full blown semi fascism and sub imperialism India after Naxalbari is far more than a simple history of the ongoing Naxalite Maoist resistance it is a deeply passionate and informed work that not only captures the essence of modern Indian history but also tries to comprehend the present in the context of that history so that the oppressed can exercise their power to influence its shape and outcome      *Colonialism in Action* Debdas Banerjee,1999 The book provides an analysis of the historical origins of the problems of development as rooted firmly in the colonial trade and discusses the ways in which the rich poor dichotomy was propogated and perpetuated
