Spiritual Adventure Of The Apocalypse What Is The Spirit Saying To The Churches:

The Spiritual Adventure of the Apocalypse William Riley, 1997 Father William Riley's examination of the Book of Revelation succeeds in being both completely honest about the reality of evil in the world and utterly confident about the truth of God. He finds in the Apocalypse a message of celebration and hope. Sacra Pagina: Revelation Wilfrid J. Harrington, OP, 2023-06-13 More than any other New Testament writing the Book of Revelation demands commentary. Its often bewildering text is easily open to less than scholarly interpretation. *Revelation* Wilfrid J. Harrington, 2008 Revelation a prophetic apocalyptic letter is a profoundly Christian text. Father Harrington is concerned to open up Revelation and to convey its Christian message. After an introduction he provides a new translation of each section of the writing followed by notes which deal with matters of text and content that require clarification. He then treats the passage as a whole by discussing its literary character, its theological significance and its relevance to our situation. Bibliographies direct the reader to important modern studies. Father Harrington brings his scholarship to the Book of Revelation and conveys its Christian message. He puts the work in its historical and social setting, a first century C.E. province of the Roman Empire and explores its social and religious background and its literary character. Through Father Harrington we hear clearly the challenge of John the prophet to the Churches of his time and to ours: not to compromise the gospel message. **American Book Publishing Record**, 1997-09 *The Catholic Periodical and Literature Index*, 2000 *The British National Bibliography* Arthur James Wells, 1998 **Bibliographic Index**, 1997 **The Seven Revivals of the Apocalypse** Robert A. Allen, 2023-10-04 Exiled to Patmos John the apostle receives a vision of the risen Christ along with epistles to be sent to the churches of Asia Minor. Unable to go himself, John enlists the aid of one of his guards as his messenger. Prochorus, a new convert, carries the letters to the seven churches. At each location he encounters the problems those first century churches faced as outlined in the letters. Interaction with the people in those cities brings to life the commendations and condemnations announced by God. At the same time his former commander Ulpius pursues him in an attempt to prevent what he considers disloyalty to his god Emperor Domitian. Other trouble arises from those who worship the Greek gods. In spite of threats, arrests, opposition and disappointment, Prochorus completes his mission. In every location he finds those who listen with open ears, respond to the divine message, repent of their sins, revealed by a God who knows them and experience revival. **The Christian Leader**, 1926 *Whitaker's Books in Print*, 1998
