Reel Spirituality Robert K. Johnston, 2006-12 A comprehensive study of theology and film that explores how the Christian faith is portrayed in film throughout history *Dictionary of Christian Spirituality* Zondervan, 2016-11-22 In recent decades Christian spirituality spiritual formation and spiritual theology have become important concepts in the global evangelical community Consequently an accessible and reliable academic resource is needed on these topics one that will offer a discerning orientation to the wealth of ecumenical resources available while still highlighting the distinct heritage and affirming the core grace centered values of classic evangelical spirituality The Dictionary of Christian Spirituality reflects an overarching interpretive framework for evangelical spiritual formation a holistic and grace filled spirituality that encompasses relational connecting transformational becoming and vocational doing dynamics At the same time contributors respectfully acknowledge the differences between Reformed Holiness and Pentecostal paradigms of the spiritual life And by bringing together writers from around the world who share a common orthodoxy this reference work is truly global and international in both its topical scope and contributors Entries give appropriate attention to concepts concerns and formative figures in the evangelical tradition of spirituality that other reference work neglect They offer a discerning orientation to the wealth of ecumenical resources available exploring the similarities and differences between Christianity and alternate spiritualities without lapsing into relativism The Dictionary of Christian Spirituality is a resource that covers a wide range of topics relating to Christian spirituality and is biblically engaged accessible and relevant for all contemporary Christians

Spiritual Theology Diogenes Allen, 1997-01-25 Allen covers the great questions of the spiritual life what is the Christian goal what leads us toward that goal and what hinders us what is conversion how can we discern our progress in the spiritual life what are the fruits of the Spirit **The Spiritual City** Philip Sheldrake, 2014-04-03 A Spiritual City provides a broad examination of the meaning and importance of cities from a Christian perspective Contains thought provoking theological and spiritual reflections on city making by a leading scholar Unites contemporary thinking about urban space and built environments with the latest in urban theology Addresses the long standing anti urban bias of Christianity and its emphasis on inwardness and pilgrimage Presents an important religious perspective on the potential of cities to create a strong human community and sense of sacred space Enlivening Faith June Boyce-Tillman, Stephen Roberts, Jane Erricker, 2019 The relationship between Christian theology and music has been complex since the early days of the Church The search for the soul led to an increasing body of literature in on spirituality This book is an attempt to open up a conversation between these related discourses with contributions reflecting a range of perspectives within them **Spiritual Theology** Simon Chan, 2025-10-14 Academy of Parish Clergy Top Ten Book Theology is the doctrine of living unto God wrote the Puritan theologian William Ames Unfortunately post Enlightenment theology has tended to divorce doctrine from living unto God And to the degree that this split has been deepened and perpetuated both theology and spirituality have been impoverished

Spiritual Theology is a rare book In it Simon Chan surveys the little explored landscape where systematic theology and godly praxis meet highlighting the connections between Christian doctrine and Christian living and drawing out the spiritual implications of particular aspects of systematic theology Allowing rational formulations to drop into the background he brings the mystery of the faith to the fore Chan begins with the principal doctrines of God sin salvation and the church He then progresses to a reflective consideration of the practice of the spiritual life from prayer to spiritual direction Unabashedly evangelical and truly ecumenical Chan grounds his exploration in the sources of the Protestant Catholic and Orthodox traditions His work is well abreast of contemporary theological currents and crossculturally conversant from an Asian perspective Spiritual Theology is a book for those who care deeply about theology and spirituality and strive to integrate the two It is well worth careful reflection and prayerful reading
