A. Thompson,1999 Those who want to know what manner of man Patrick was something about the Roman world in which he originated and the problems he faced among the Irish will find this book helpful and satisfactory Patrick is allowed to emerge from his own accounts And what an impressive figure he was TABLET Thompson has presented Patrician scholars with some intriguing new hypotheses in a field where hypotheses abound These have the virtue of relying solely on the only reliable source bearing on Patrick namely his own writings HISTORY Everyone knows of St Patrick but what do we know about him Simply that it was he who converted the Irish to Christianity The strange fact is that for two hundred years or so after his death although his name was remembered with respect everything else about him was forgotten E A Thompson pieces together the story of his life drawing his evidence from the only real clues that exist Patrick s own writings not from the later Lives He reveals him as coming from a well to do nominally Christian family in Britain being captured by Irish raiders and forced into slavery in Co Mayo converting to a most earnest Christianity and eventually escaping from Ireland to the fulfilment of his calling As a bishop he is shown to have been a man of profound originality and his writings his Confession and his Letter to Coroticus further display his character It is no surprise that a host of legends became attached to his name and the biography is completed with a look at some of those early legends **St Patrick and Irish Christianity** Tom Corfe,1973 **Discovering Saint Patrick** Thomas O'Loughlin,2005 The search for the real Saint Patrick has puzzled and intrigued scholars for centuries This new study asks How much can we really know about the life and times of Patrick Why and how was the Patrick myth built up in the seventh century and what was its influence on the development of Irish Catholicism Motivation **The Life of St. Patrick** J. B. Bury,2019-06-03 The Life of St Patrick is the first truly authoritative biography of Saint Patrick s life and a well researched study of the times in which he lived in Saint Patrick was a fifth century Romano British Christian missionary and bishop in Ireland Known as the Apostle of Ireland he is the primary patron saint of Ireland Contents On the Diffusion of Christianity Beyond the Roman Empire The Captivity and Escape of Patrick In Gaul and Britain Political and Social Condition of Ireland In the Island Plain in Dalaradia In Meath In Connaught Foundation of Armagh and Ecclesiastical Organisation Writings of Patrick and His Death Patricks Place in History **The Life of St. Patrick and His Place in History** J. B. Bury,2023-12-03 In The Life of St Patrick and His Place in History J B Bury offers a scholarly exploration of Ireland s patron saint meticulously tracing the historical and legendary threads that define his life Bury employs a critical analysis of both ecclesiastical texts and contemporary sources weaving a narrative that skillfully balances

the spiritual with the historical His prose reflects a clarity and precision typical of early 20th century scholarship emphasizing not only Patrick s missionary work but also the sociopolitical landscape of 5th century Ireland that shaped his actions and legacy J B Bury known for his erudition and commitment to historical accuracy was a prominent historian who contributed significantly to our understanding of antiquity and early medieval Europe His academic background and keen interest in the intersection of history and myth undoubtedly informed his research on St Patrick as he sought to disentangle fact from legend in a narrative that has been steeped in folklore Bury s findings have become foundational for later studies on the subject showing his dedication to uncovering truth through rigorous scholarship This book is an essential read for anyone interested in the historical roots of Irish identity and the evolution of religious thought in early medieval Europe Bury s thorough investigation not only presents a biography of St Patrick but also offers critical insights into the historical processes that shaped Christianity in Ireland Ideal for historians theologians and lay readers alike it serves as a cornerstone for understanding the cultural legacy of one of Christianity s most revered figures [The Confession of St. Patrick](#)
Translated from the Original Latin with an Introduction and Notes Saint Patrick,2010-05 This translation of the Confession of St Patrick is accompanied by a lengthy introduction by Thomas Olden who argues that St Patrick s Christianity was closer to that of the Reformed Church than to modern Catholicism The introduction and translation are both meticulously documented as to sources This edition also includes the prayer known as St Patrick s Armor or Breastplate the Lorica of St Patrick Thomas Olden 1823 1900 was the vicar of Ballyclough a member of the Royal Irish Academy and the author of The History of the Church of Ireland **History of the Irish Primitive Church** Daniel De Vinné,1870 **Saint Patrick** Thomas O Loughlin,2014-02-20 The only true apostle of Ireland who more or less converted the country the single handed or A Christian bishop from the embattled edge of a crumbling empire All that can really be known of Patrick comes from his authentic writings the Confession and the Epistola Address to the Soldiers of Coroticus Thomas O Loughlin s engaging yet scholarly reflections on these fifth century texts lead us into a greater understanding of the mind of Patrick the man believer and missionary
