A History of Literature in the Caribbean A. James Arnold, 1997-08-15 Cross Cultural Studies is the culminating effort of a distinguished team of international scholars who have worked since the mid 1980s to create the most complete analysis of Caribbean literature ever undertaken Conceived as a major contribution to postcolonial studies cultural studies cultural anthropology and regional studies of the Caribbean and the Americas Cross Cultural Studies illuminates the interrelations between and among Europe the Caribbean islands Africa and the American continents from the late fifteenth

century to the present Scholars from five continents bring to bear on the most salient issues of Caribbean literature theoretical and critical positions that are currently in the forefront of discussion in literature the arts and public policy Among the major issues treated at length in Cross Cultural Studies are The history and construction of racial inequality in Caribbean colonization The origins and formation of literatures in various Creoles The gendered literary representation of the Caribbean region The political and ideological appropriation of Caribbean history in creating the idea of national culture in North and South America Europe and Africa The role of the Caribbean in contemporary theories of Modernism and the Postmodern The decentering of such canonical authors as Shakespeare The vexed but inevitable connectedness of Caribbean literature with both its former colonial metropolises and its geographical neighbors Contributions to Cross Cultural Studies give a concrete cultural and historical analysis of such contemporary critical terms as hybridity transculturation and the carnivalesque which have so often been taken out of context and employed in narrowly ideological contexts Two important theories of the simultaneous unity and diversity of Caribbean literature and culture propounded by Antonio Ben tez Rojo and douard Glissant receive extended treatment that places them strategically in the debate over multiculturalism in postcolonial societies and in the context of chaos theory A contribution by Ben tez Rojo permits the reader to test the theory through his critical practice Divided into nine thematic and methodological sections followed by a complete index to the names and dates of authors and significant historical figures discussed Cross Cultural Studies will be an indispensable resource for every library and a necessary handbook for scholars teachers and advanced students of the Caribbean region

**James Joyce's Judaic Other** Marilyn Reizbaum, 1999 How does recent scholarship on ethnicity and race speak to the Jewish dimension of James Joyce s writing What light has Joyce himself already cast on the complex question of their relationship This book poses these questions in terms of models of the other drawn from psychoanalytic and cultural studies and from Jewish cultural studies arguing that in Joyce the emblematic figure of otherness is the Jew The work of Emmanuel Levinas Sander Gilman Gillian Rose Homi Bhabha among others is brought to bear on the literature by Jews and non Jews alike that has forged the representation of Jews and Judaism in this century Joyce was familiar with this literature like that of Theodor Herzl Joyce sholarship has largely neglected even these sources however including Max Nordau who contributed significantly to the philosophy of Zionism and the literature on the psychobiology of race so prominent in the fin de si cle all of which circulates around and through Joyce s depictions of Jews and Jewishness Several Joyce scholars have shown the significance of the concept of the other for Joyce s work and more recently have employed a variety of approaches from within contemporary deliberations of the ideology of race gender and nationality to illuminate its impact The author combines these approaches to demonstrate how any modern characterization of otherness must be informed by historical representations of the Jew and consequently by the history of anti Semitism She does so through a thematics and poetics of Jewishness that together form a discourse and method for Joyce s novel

*Virginia Woolf and the Visible World* Emily Dalgarno, 2007-02 In Virginia Woolf

and the Visible World Emily Dalgarno examines Woolf's engagement with notions of the subject and codes of the visible Dalgarno examines how Woolf's writing engages with visible and non visible realms of experience and draws on ideas from the diverse fields of psychoanalytic theory classical Greek tragedy astronomy photography and photojournalism The solar eclipse of 1927 marks a dividing line in Woolf's career after which she portrayed the visible world in terms of light and shifted her interest from painting to photography Dalgarno offers textual analyses of Woolf's individual works including *To the Lighthouse* *The Waves* and *Three Guineas* arguing for the importance of her ongoing interest in Greek translation In later chapters she explores the theory of the subject that emerges from Woolf's representation of the visible in her autobiography

*States of Exception* Keya Ganguly, 2001-01-01 A philosophical anthropology of everyday experience this book is also a deeply informed and thought provoking reflection on the work of cultural critique *States of Exception* looks into a community of immigrants from India living in southern New Jersey a group to whom the author as a daughter of two of its members enjoyed unprecedented access
