Michel,2017-02-23 Then reach for this modest book by Fr P J Michel S J a savvy professor of theology whose wisdom and common sense have been forged not only in the classroom but by decades of ardent prayer and service to penitent souls in the confessional Here Fr Michel explains where your temptations come from and helps rid you of them and of your fear of them He teaches you how to best respond to the different kinds of temptations that assail you and he even shows you how to profit spiritually from your temptations no matter how strong or frequent they may be From these clear succinct pages you ll learn Why you in particular are still tempted and why God allows it Whether your temptations show that you ve turned away from God Whether the evil thoughts and impulses that afflict you regularly are merely temptations or sins to which you have somehow consented Whether your temptations are a test a punishment neither or both How to arm yourself against temptations before they occur When it s better simply to ignore rather than battle certain temptations The one simple thing you must do when strong persistent temptations occupy your mind What makes it easier to fend off sensual temptations Which temptations you must never reason with as did poor Eve to her sorrow and ours What to do about temptations that arise from acts of virtue e g pride that you ve fasted well The one promise of God you must be sure to remember when temptations discourage you And why you must never yield to despair especially after you ve yielded to temptations and what to do instead

Testing and Temptations

Thomas Murosky Ph. D.,2014-04-15 Our America is one where many Christians do not live life like Christ nor do they read the Bible The average American Christian is not engaged in service and gives less to the cause of Christ than they do for their entertainment As part of the church we need to be walking like Christ and encouraging others Testing and Temptations will guide you through living for Christ in the midst of trials in your life We all experience many trials that can be either tests or temptations but little regard is ever given to what these words mean Have you ever thought about the concepts behind testing and temptations or what role they may play in your life While listening in on a sermon and constantly hearing the pastor fumble over test and tempt the concept behind the book Testing and Temptations was born In this book we will examine the differences between tests and temptations and examine four key principles of Testing and Temptations The Source of the Trial The Method the Trial Works in Us Where the Trial Leads Us The Intention behind the Trial Once we understand how Testing and Temptations are applied in our lives we will be in a key position to understand how we can leverage our trials in order to grow closer to Christ Thomas Murosky outlines simple steps to grow closer to God and live a more holy life dedicated to the service of God
