Ten Dancers On Stage Backstage At Home And On The Road:

Ten Dancers Holly Brubach, 1982 To the large and devoted American ballet audience of the 1980s the names of these ten dancers are among the most magical stars at the peak of their fame Dance photographer Pierre Petitjean has captured in 200 poetic and candid pictures the real people behind their theatrical presences Petitjean is mesmerized by the dance in the same way that Degas was and his lens can make one see dance as the painter's brush could His fascination is with the totality of dance its many facets both away from the footlights and in performance He has traveled with these dancers for months at a time in Europe and in the United States to see them at home and far from home in class and in rehearsal in the electric final moments backstage before curtain time He has succeeded in revealing the extraordinary transformation from person to performer that is the dancer's way of life Here are Patricia McBride and Peter Martins of the New York City Ballet Anthony Dowell Natalia Makarova Alexander Godunov Cynthia Gregory Fernando Bujones and Martine Van Hamel of the American Ballet Theatre and Patrick Dupond and Ghislaine Thesmar of the Paris Opera Ballet You will see them behind the scenes and in pictures that record the fleeting moments of great performance which dancers must perpetually re create Their biographies based on personal interviews with Holly Brubach display the individuality of each of them which is as striking as the passion they share for their difficult art By juxtaposing the public and private sides of these stars of contemporary ballet this book doubly illuminates the art After seeing Pierre Petitjean's photographs no one can watch these or even other dancers without a sharply heightened sense of what they bring to each dazzling appearance on the stage In Holly Brubach's words If the story these pictures tell has a moral it is that dancing isn't the mystical business it's so often made out to be that ballet for all its romantic illusion is in fact a carefully conceived plan Like architecture it takes into account physical limitations and the law of gravity Ballet may fulfill our longing to be other than we are and at the same time make us realize how fine it is to be human It is that contradiction which lies at the heart of great performances and of these pictures Jacket *Dance in Canada*, 1983 **Dancers and Choreographers** Leslie Getz, 1995 Covers the full range of English language dance book literature published in the twentieth century as well as all the scholarly periodicals in the field from the United States Great Britain Canada and Australia **Subject Guide to Books in Print**, 1983 **The Publishers' Trade List Annual**, 1986 Subject Catalog Library of Congress, **Dance Sources, UCLA Libraries and Archives**, 1991 **Forthcoming Books** Rose Arny, 1983 *Subject Catalog*, 1982 Library of Congress, 1982 National Union Catalog, 1982 Includes entries for maps and atlases Library Journal, 1982 **Ballet News**, 1982 **Camera Arts**, 1982 Envisioning Dance on Film and Video Judy Mitoma, ELIZABETH ZIMMER, Dale Ann Stieber, 2013-10-18 Virtually everyone working in dance today uses electronic media technology *Envisioning Dance on Film and Video* chronicles this 100 year history and gives readers new insight on how dance creatively exploits the art and craft of film and video In fifty three essays choreographers filmmakers critics and collaborating artists explore all aspects of the process of rendering a

three dimensional art form in two dimensional electronic media Many of these essays are illustrated by ninety three photographs and a two hour DVD 40 video excerpts A project of UCLA Center for Intercultural Performance made possible through The Pew Charitable Trusts www.wac.ucla.edu/cip

To Dance On Sands Marta Becket,2020-11-05 About Marta Becket Tears came to my eyes Marta represented to me the spirit of the individual The spirit of the theater The spirit of creativity Ray Bradbury Author Marta s paintings have a degree of humor and playfulness The use of color is outstanding and tell of a generosity talent and skill Red Skelton Comedian Artist Long before anybody invented the term performance art Marta Becket was doing it in an abandoned opera house in Death Valley Junction She restored it an [Dancing in the Street](#)

Suzanne E. Smith,2001-05-02 Detroit in the 1960s was a city with a pulse people were marching in step with Martin Luther King Jr dancing in the street with Martha and the Vandellas and facing off with city police Through it all Motown provided the beat This book tells the story of Motown as both musical style and entrepreneurial phenomenon and of its intrinsic relationship to the politics and culture of Motor Town USA As Suzanne Smith traces the evolution of Motown from a small record company firmly rooted in Detroit s black community to an international music industry giant she gives us a clear look at cultural politics at the grassroots level Here we see Motown s music not as the mere soundtrack for its historical moment but as an active agent in the politics of the time In this story Motown Records had a distinct role to play in the city s black community as that community articulated and promoted its own social cultural and political agendas Smith shows how these local agendas which reflected the unique concerns of African Americans living in the urban North both responded to and reconfigured the national civil rights campaign Against a background of events on the national scene featuring Martin Luther King Jr Langston Hughes Nat King Cole and Malcolm X *Dancing in the Street* presents a vivid picture of the civil rights movement in Detroit with Motown at its heart This is a lively and vital history It s peopled with a host of major and minor figures in black politics culture and the arts and full of the passions of a momentous era It offers a critical new perspective on the role of popular culture in the process of political change
