Ten Minutes To Buffalo The Story Of Germanys Great Escaper

Antonio Thompson

Ten Minutes To Buffalo The Story Of Germanys Great Escaper:

Ten Minutes to Buffalo Ulrich Steinhilper, Peter Osborne, 1991 Sequel to Spitfire On My Tail the courageous story of Steinhilper's experiences as a German Prisoner Of War POW in Canada and the USA and his three escape attempts **Axis Prisoners of War in Kentucky** Antonio S. Thompson, 2024-01-01 During World War II Kentuckians rushed from farms to factories and battlefields leaving agriculture throughout the state particularly the lucrative tobacco industry without sufficient labor An influx of Axis prisoners of war made up the shortfall Nearly 10 000 German and Italian POWs were housed in camps at Campbell Breckinridge Knox and other locations across the state Under the Geneva Convention they worked for their captors and helped save Kentucky's crops while enjoying relative comfort as prisoners playing sports performing musicals and taking college classes Yet friction between Nazi and anti Nazi inmates threatened the success of the program This book chronicles the POW program in Kentucky and the vital contributions the Bluegrass State made to Allied victory

Men in German Uniform Antonio Thompson, 2010-11-16 Examining the largest prisoner of war handling operation in U S history this book offers a meticulous account of the myriad history this book offers a meticulous account of the myriad problems as well as the impressive successes that came with problems as well as the impressive successes that came with housing 371 000 German POWs on American soil during World War II Antonio Thompson draws on extensive archival research to probe the various ways in which the U S government strove to comply with the Geneva Convention's mandate that enemy prisoners be moved from the war zone and given food shelter and clothing equal to that provided for American soldiers While the prisoners became a ready source of manpower for the labor starved American home front and received small wages in return their stay in the United States generated more than a few difficulties which included not only daunting logistics but also violence within the camps Such violence was often blamed on Nazi influence and control however as Thompson points out only a few of the prisoners were actually Nazis Because the Germans had cobbled together military forces that included convicts their own POWs volunteers from neutral nations and conscripts from occupied countries the bonds that held these soldiers together amid the pressures of combat dissolved once they were placed behind barbed wire When these men in German uniform who were not always Germans donned POW garb their former social racial religious and ethnic tensions quickly reemerged To counter such troubles American authorities organized various activities including sports arts education and religion within the POW camps some prisoners even participated in an illegal denazification program created by the U S government Despite the problems Thompson argues the POW housing program proved largely successful as Americans maintained their reputation for fairness and humane treatment during a time of widespread turmoil

Prisoners of War Arnold Krammer, 2007-11-30 America's current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been

astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy The fate of war prisoners through history has been cruel and haphazard The lives of captives hung by a thread Execution enslavement torture or being held for ransom were equally likely International agreements developed haltingly through the 19th and 20th centuries to culminate in the Geneva Accords of 1929 America s current War on Terror is causing a readjustment of centuries of POW policies Prisoners of war are once again in the news as America and Western Europe grapple with a new faceless enemy and the rules of war and the torture of POWs are open to reconsideration Until very recently there has been astonishingly little written on the subject of prisoners of war Yet to understand the present it is critical to look back over history To that end Arnold Krammer examines the fate of war prisoners from Biblical and Medieval times through the halting evolution of international law to the current reshuffling of the rules Since biblical times war captives have been considered property and counted as booty to be enslaved or killed Americans were interested in generals and weapons and battles but not the fate of prisoners of war The Second World War when 90 000 Americans fell into enemy hands began to change that Concern for our POWs in Germany and Japan and close contact with enemy camps in America began to change our attitudes However it was the Vietnam War media driven and polarizing that caused the American public to truly reevaluate the plight of its sons and brothers heroic and clearly loyal as they fell into the hands of an inscrutable and apparently unyielding distant enemy More recently during the first Gulf War of 1991 and the current War on Terrorism the issue of prisoners of war has moved to center stage involving the clash of ideologies politics and expediency Since 9 11 the rights and safety of prisoners of war caught up in the War on Terror have been debated in Congress and adjudicated on by former Attorney General Alberto Gonzales whose conclusions were protested by numerous organizations The issue of prisoners of war is of more immediate concern now than ever before and an examination of the history of their treatment and current status may well influence foreign policy

Axis Prisoners of War in Tennessee Antonio S. Thompson, 2023-03-09

During World War II Axis prisoners of war received arguably better treatment in the U S than anywhere else Bound by the Geneva Convention but also hoping for reciprocal treatment of American POWs the U S sought to humanely house and employ 425 000 Axis prisoners many in rural communities in the South This is the first book length examination of Tennessee s role in the POW program and how the influx of prisoners affected communities Towns like Tullahoma transformed into military metropolises Memphis received millions in defense spending Paris had a secret barrage balloon base The wooded Crossville camp housed German and Italian officers Prisoners worked tobacco lumber and cotton across the state Some threatened escape or worse When the program ended more than 25 000 POWs lived and worked in Tennessee German

Jackboots on Kentucky Bluegrass Antonio Scott Thompson, 2008 German Jackboots on Kentucky Bluegrass tells Kentucky's story of housing working and entertaining German Prisoners during the Second World War. It is a must read for anyone interested in the Geneva Convention and humane treatment during a time of great conflict. The Gilded Cage Cecil J. Porter, 2003 Whitaker's Book List , 1991 *The British National Bibliography* Arthur James Wells, 1992 *Whitaker's Books in Print* , 1998 **The Saturday Evening Post** , 1918 SCC Library has 1974-89 plus scattered issues **Popular Mechanics** , 1929-07 Popular Mechanics inspires, instructs and influences readers to help them master the modern world. Whether it's practical DIY home improvement tips, gadgets and digital technology information on the newest cars or the latest breakthroughs in science, PM is the ultimate guide to our high-tech lifestyle. **Collier's** Hansi, 1909 **McClure's Magazine** , 1922 **Railroad Age Gazette** , 1893 *Youth's Companion* , 1875 Porter's Spirit of the Times , 1857
Michigan Christian Advocate , 1895 *Every Saturday* , 1871 *The Farmer and Mechanic* William Holt Starr, John Milton Stearn, 1849
