Seven Sins for a Life Worth Living Roger Housden,2005-12-06 Conventional wisdom says Roger Housden tells us that nobody goes to heaven for having a good time Seven Sins for a Life Worth Living then is a refreshing liberating and decidedly welcome dose of unconventional wisdom that awakens us to the simple delights and transformative joys of the world around us With elegance gentle humor and remarkable openness Housden takes us along as he recalls his personal journey toward an appreciation of what he calls the Seven Pleasures The Pleasure of All Five Senses The Pleasure of Being Foolish The Pleasure of Not Knowing The Pleasure of Not Being Perfect The Pleasure of Doing Nothing Useful The Pleasure of Being Ordinary and The Pleasure of Coming Home Housden writes for instance of submitting to the ultimate folly of falling in love

of celebrating our imperfections of coming to understand the virtues of the Slow Food movement while enjoying an all afternoon lunch in a small French village and of discovering in a Saharan cave that however extraordinary our surroundings we are human a glorious nothing much to speak of and learning to be at peace with the notion Such pleasures may be suspect in today's achievement driven tightly scheduled relentlessly self improving conspicuously consumptive culture but surely the greater sin lies in letting them slip away moment by precious moment The purpose of this book says Housden is to inspire you to lighten up and fall in love with the world and all that is in it Reading it is a pleasure indeed When you die God and the angels will hold you accountable for all the pleasures you were allowed in life that you denied yourself Roger Housden author of the bestselling Ten Poems series presents a joyously affirmative warmly personal and spiritually illuminating meditation on the virtues of opening ourselves up to pleasures like being foolish not being perfect and doing nothing useful the pleasure of not knowing and even would you believe it the pleasure of being ordinary

Dropping the Struggle Roger Housden, 2016-08-05 Is it possible to fully accept even love the life you have Is it possible to drop the struggle to make yourself and your life different Acclaimed teacher and bestselling author Roger Housden says yes in this profound alternative to nonstop striving and self criticism Whether about our relationships careers or spirituality many of us judge ourselves as not measuring up But fulfillment comes when we stop struggling and learn to trust the wisdom of what life presents us with Housden wrote Dropping the Struggle as someone who up until a few years ago spent much of his time in a covert struggle with life Despite his success he often felt that something was missing He struggled for years with an ongoing spiritual longing with questions of meaning and purpose with the search for love with all the usual difficulties of being human until he finally realized though not with his thinking mind that the only thing life was asking of him was to rest in a deeper knowing that was always there usually silently behind the arguments and strategies that would so commonly occupy his conscious self Struggle will never get us the things we want most Housden writes love meaning presence freedom from anxiety over the past and future contentment with ourselves exactly as we are imperfections and all the acceptance of our mortality because these things lie outside the ego's domain For these we need another way That way begins and ends in surrender in letting go of our resistance to life as it presents itself

Saved by Beauty Roger Housden, 2012-11-13 When Roger Housden decided to travel to Iran and finally see the subject of his youthful fascination he was in his sixties By then he thought he had seen the world He was wrong It was a quest that changed him forever In Iran Housden met with artists writers film makers and religious scholars who embody the long Iranian tradition of humanism and shared with him their belief in scholarship and artistry From the bustle of modern Tehran to the paradise gardens of Shiraz to the spectacular mosques and ancient palaces of Isfahan Housden met Iranians who were warm welcoming generous intellectually curious and altogether alive with their love for one another and for the faith and tradition that holds them together Saved by Beauty weaves a richly textured story of many threads It is a deeply poetic and perceptive appreciation of a culture that has endured for over three thousand years

while it also portrays the creative and spiritual cultures within contemporary Iran While there Roger Housden was brought face to face with the reality that beauty and truth deceit and violence are inextricably mingled in the affairs of human life and was forever altered by it **Ten Poems to Change Your Life** Roger Housden,2007-12-18 Great poetry calls into question everything It dares us to break free from the safe strategies of the cautious mind It opens us to pain and joy and delight It amazes startles pierces and transforms us It can lead to communion and grace Through the voices of ten inspiring poets and his own reflections the author of Sacred America shows how poetry illuminates the eternal feelings and desires that stir the human heart and soul These poems explore such universal themes as the awakening of wonder the longing for love the wisdom of dreams and the courage required to live an authentic life In thoughtful commentary on each work Housden offers glimpses into his personal spiritual journey and invites readers to contemplate the significance of the poet s message in their own lives In Ten Poems to Change Your Life Roger Housden shows how these astonishing poems can inspire you to live what you always knew in your bones but never had the words for The Journey by Mary Oliver Last Night as I Was Sleeping by Antonio Machado Song of Myself by Walt Whitman Zero Circle by Rumi The Time Before Death by Kabir Ode to My Socks by Pablo Neruda Last Gods by Galway Kinnell For the Anniversary of My Death by W S Merwin Love After Love by Derek Walcott The Dark Night by St John of the Cross 2013 R. Steven Payne, 2010-12-10 When I want to read a book I write one So wrote the 19th century politician and novelist Benjamin Disraeli Washington Irving said something very similar and its a maxim which Ive adopted as my own Almost all of the writing Ive done over many years has been based on wanting to read a book on a particular subject a book which research told me didnt currently seem to exist Carrying the Torch like all my other books to date was born out of the desire to read a good book on an interesting subject finding nothing available that quite matched up to my expectations I decided to write it myself I wanted a good general book about the phenomenon of unrequited love in the worlds art how important a theme it has been in novels poems music and film for so long why artists keep coming back to it again and again what it actually is what it feels like and how it might be explained and so forth I like to think that thats the book Ive written All the world loves a lover and most people whether they openly admit it or not and that includes a great many men love a good love story as I make clear in the book it doesnt seem to matter if the story has a tragic or at least unhappy ending we dont enjoy it any less and may even enjoy it all the more as the popularity of weepies in book or film form attests *Meaning & Memory* Gary Pacernick, 2001
