## **Ten Myths About Evangelism:**

*Ten Modern Evangelism Myths* Ryan Denton, 2025-11-01 Ryan Denton has identified numerous evangelism myths that are hindering the church's witness in today's world. I have been challenged and encouraged by reading this helpful treatment of these common myths. You will be too. Timothy K. Beougher. In *Ten Modern Evangelism Myths* Ryan Denton boldly addresses topics often avoided in books on Christian evangelism. Biblically deferential and doctrinally attentive, the crucible of the regular public proclamation of the gospel has refined Ryan's resolve. I strongly recommend an attentive reading of this work. Thomas P. Johnston. What a contribution for the evangelical church. Ryan Denton has undoubtedly selected the ten most relevant myths on evangelism throughout the Protestant world and dealt with each one in a convincing and winsome way. It is to the point. It is theological. It is confessional. It is historically grounded. It is captivating. Elias Medeiros. Ryan Denton's book *Ten Modern Evangelism Myths* shatters all pragmatic and unbiblical approaches to evangelism. Denton specifically addresses the popular and traditional myths embraced and practiced by far too many evangelists and Christians. I highly recommend this book. It should be a required read for all those who seriously desire to do the work of an evangelist according to the biblical model for the glory of God, which should be all of us. Edward Dalcour. Ryan Denton has done a great service to the church in writing this book that challenges and disproves ten myths concerning the matter of evangelism. This is a must-have book if you are interested in presenting the gospel to the lost. It is my pleasure to wholeheartedly endorse it. Dewey Roberts.

**Ten Modern Evangelism Myths** Ryan Denton, 2021-04-24 *Ten Modern Evangelism Myths* recounts misconceptions that prevent effective evangelism. Denton provides palatable and easy-to-read responses to them and helps you be clearer about Christianity and more clearly yourself when talking about it.

**The Jesus Plan** Bruce Dreisbach, 2010-12-22 A radically refreshing and proven pattern for reaching those around you with the good news of Christ. Join the adventure of reaching the lost in your world. An expert in church growth and evangelism, Bruce Dreisbach reached a crushing dead end when he realized that old-style efforts of evangelism were becoming increasingly ineffective. Out of his failure and frustration, God led him and others to launch a new ministry with priorities and approaches that varied radically from the traditional. Over time, this new paradigm has proven significantly successful in reaching lost souls in today's culture. After you read *The Jesus Plan*, you'll never think of evangelism the same way again. You'll be equipped and encouraged to reach out to the people around you effectively and help them discover a new way to live eternally.

*Ten Dumb Things Smart Christians Believe* Larry Osborne, 2009-04-14 In this delightfully personal and practical book, respected Bible teacher Larry Osborne confronts ten widely held beliefs that are both dumb and dangerous. People don't set out to build their faith upon myths and spiritual urban legends. But somehow such falsehoods keep showing up in the way that many Christians think about life and God. These goofy ideas and beliefs are assumed by millions to be rock-solid truth until life proves they're not. The sad result is often a spiritual disaster: confusion, feelings of betrayal, a distrust of Scripture, loss of faith, anger toward both the church and God. But it doesn't

**How to Increase Giving In Your Church** George Barna,1997-07-22 One of the most difficult tasks facing any church leader is the issue of raising funds It s not that we don t realize that tithing and giving are biblical issues God s Word is full of strong statements about the stewardship of money But how does a pastor convey God s heart for stewardship Literally what s the best way to raise the money your church needs to survive Obviously God is the one who builds the church He is the ultimate provider But what s the best process of shepherding the funds He has for your church This step by step guide will give you tools you need to raise funds in your church scripturally and successfully without compromising biblical integrity After all it s God s church and His money but our responsibility to manage it      **Adventure of Faith** Michael

Boyd,2009-05-18 The church was established to serve the world with Christ like love not to rule the world It is called to look like a corporate Jesus dying on the cross for those who crucified him not a religious version of Caesar It is called to manifest the kingdom of the cross in contrast to the kingdom of the sword Whenever the church has succeeded in gaining what most American evangelicals are now trying to get political power it has been disastrous both for the church and the culture

Whenever the church picks up the sword it lays down the cross The present activity of the religious right is destroying the heart and soul of the evangelical church and destroying its unique witness to the world The church is to have a political voice but we are to have it the way Jesus had it by manifesting an alternative to the political power over way of doing life We are to transform the world by being willing to suffer for others exercising power under not by getting our way in society exercising power over
