Ten Lost Years, 1929-1939 Barry

Broadfoot, 2013-04-23 Hundreds of ordinary Canadians tell their own stories in this book. They tell them in their own words and the impact is astonishing. As page after page of unforgettable stories rolls by, it is easy to see why this book sold 300,000 copies and why a successful stage play that ran for years was based on them. The stories and the 52 accompanying photographs tell of an extraordinary time. One tells how a greedy Maritime landlord who tried to raise a widow's rent was tarred and gravelled; another how rape by the boss was part of a waitress's job. Other stories show Saskatchewan families watching their farms turn into deserts and walking away from them, or freight trains black with hoboes clinging to them, crisscrossing the country in search of work, or a man stealing a wreath for his own wife's funeral. Throughout this portrait of the era before Canada had a social safety net, there are amazing stories of what Time magazine called human tragedy and moral triumph during the hardest of times. In the end, this is an inspiring, uplifting book about bravery, one you will not forget.

Fifty Years in the Church of Rome Charles Paschal Telesphore Chiniquy, 2022-06-02 In *Fifty Years in the Church of Rome*, Charles Paschal Telesphore Chiniquy offers a candid and riveting memoir that chronicles his spiritual journey from Catholic priesthood to Protestantism, providing a critical exposé of the practices and doctrines of the Roman Catholic Church during the 19th century. The narrative unfolds with remarkable clarity and fervor, combining personal anecdotes with theological critiques, ultimately revealing the tensions between faith and institutional dogma. Chiniquy's literary style is engaging, employing a first-person perspective that immerses readers in his emotional struggles and theological dilemmas, thus placing the work within the broader context of emerging Protestant critiques of Catholicism in America. Chiniquy was ordained as a Catholic priest in Canada and spent over 25 years in the Church, which granted him an insider's perspective that is both unique and authoritative. His subsequent disillusionment, catalyzed by personal experiences with Church authorities and doctrinal disputes, led him to embrace Protestantism and become a notable figure in the anti-Catholic movement of his time. His profound insights into the inner workings of the Church were shaped by his intensive theological training and the challenges he faced. *Everybody's Magazine*, 1902 **The Educational Monthly of Canada**, 1898 *The Walther*
