Killer Tracks Thirteen O'Clock Press, 2015-09-04 Animal tracks railroad tracks there are many and various interpretations of the word and Thirteen's talented authors have explored them in their inimitable way to bring you a diverse set of stories Walk with them in the tracks they have created and see what horrors gore and surprises await you **The Killers** Dick Morris , 2014-10-20 The Killers Granite is one of the toughest materials known to man You need special tools to work it Max Grannit is tough too he has to be to survive the trouble he keeps getting himself into Now fresh from his ordeal at the hands of the black hats Grannit is looking for a quiet life But then he saves the life of a beautiful young woman in a New York street Soon he is heading for more trouble big trouble in fact when he agrees to act as the young woman's bodyguard Grannit finds himself first in London and then in the South of France living luxuriously in each of those places but also living dangerously The young woman will not tell him what she really is and she herself does not know what is going on Capitaine Labbac of the Police Nationale does not know either But something big is brewing in the Bay of Cannes A journey through danger to an explosive conclusion About 61000 words **Wanted Women** Mary Elizabeth Strunk, 2010-09-18 The iconic photo of Bonnie Parker cigar clenched in jaw pistol in hand says it all America loves its bad girls Now Mary Elizabeth Strunk tells us why *Wanted Women* is a startling look at the lives and legends of ten female outlaws who gained notoriety during the tumultuous decades that bracketed the tenure of FBI director J Edgar Hoover Strunk looks at real life events and fictional portrayals to decipher what our obsession with these women says about shifting gender roles evolving law enforcement practices and American cultural attitudes in general These women's stories reveal what it takes and what it has meant to be a high profile female lawbreaker in America Strunk introduces us to Kathryn Mrs Machine Gun Kelly Ma Barker and Bonnie Parker from the 1930s and from the 1970s we meet heiress turned revolutionary Patty Hearst five other women of the Symbionese Liberation Army and Black Panther Assata Shakur All saw themselves as struggling against an oppressive legal system All became wanted criminals and would play a part in shaping Hoover's legacy And all spent enormous amounts of energy attempting to manipulate public opinion in their favor Strunk argues that each woman's public persona was to some degree invented by Hoover who saw outlaw women as an alarming threat to public morality He went after them with a vengeance but in many ways his obsession only added to their reputations Strunk shows how Hoover's repeated use of popular culture to publicize the threat of violent women initially succeeded in strengthening his FBI but his approach became a liability by the time law enforcement was pitted against the women outlaws of the 1970s The book chronicles the careers of these infamous outlaws both in the real world and in popular culture film ads true crime stories autobiographies as well as Hoover's own forays into filmmaking It boasts 27 compelling images of movie stills wanted posters and other ephemera that have been assembled nowhere else including rarely reproduced SLA artifacts Strunk's book is the first study to define the narrow formula necessary for a woman to cross over from criminal to outlaw Hitting on key notes of American culture from Black

and gender studies to cinematic and legal history *Wanted Women* sets a new benchmark for how we view women and crime as it contributes fresh insights into twentieth century social history

Killer Couples Bella Ledford, 2023-10-02 We tend to think of killers and serial killers as lone wolves but that isn't always the case A surprising number of killers have accomplices in many cases their own spouse or lover In this fascinatingly bizarre book we will run through the most notorious examples of *Killer Couples* who have murdered and committed some of the grisliest crimes together

Serial Killer Sammie Whitecloud, 2013-08-26 The characters in this book are not real It is about a serial killer who lived a normal life And when a car accident occurred it changed his normal life into a twisted one It is more than a thriller book But to actually write out the book I pretended I was the main character I became a songwriter in 2004 I decided that if I could write out music lyrics then why not a book You just read the book You will never guess how it ends Sammie Whitecloud

Female Aggression Helen Gavin, Theresa Porter, 2014-12-15 This critique explodes the stereotypical assumption that men are more prone than women to aggression A cogent and holistic assessment of the theoretical positions and research concerning female aggression Examines the treatment punishment and community response to female aggressive behavior Examines topics including sexual power serial murder and the evolution of gendered aggression Treats female aggression in its own right rather than as a counterpart to male violence
