Tennyson's Characters David Goslee,1989 **Sincerity's Shadow** Deborah FORBES,Deborah Forbes,2009-06-30 In a work of surprising range and authority Deborah Forbes refocuses critical discussion of both Romantic and modern poetry Sincerity's Shadow is a versatile conceptual toolkit for reading poetry Ever since Wordsworth redefined poetry as the spontaneous overflow of powerful feelings poets in English have sought to represent a sincere self consciousness through their work Forbes's generative insight is that this project can only succeed by staging its own failures Self representation never achieves final sincerity but rather produces an array of sincerity effects that give form to poetry's exploration of self In essays comparing poets as seemingly different in context and temperament as Wordsworth and Adrienne Rich Lord Byron and Anne Sexton John Keats and Elizabeth Bishop Forbes reveals unexpected convergences of poetic strategy A lively and convincing dialectic is sustained through detailed readings of individual poems By preserving the possible claims of sincerity longer than postmodern criticism has tended to while understanding sincerity in the strictest sense possible Forbes establishes a new vantage on the purposes of poetry Table of Contents Introduction 1 The Personal Universal Sincerity as Integrity in the Poetry of Wordsworth and Rich 2 Before and After Sincerity as Form in the Poetry of Wordsworth Lowell Rich and Plath 3 Sincerity and the Staged Confession The Monologues of Browning Eliot Berryman and Plath 4 The Drama of Breakdown and the Breakdown of Drama The Charismatic Poetry of Byron and Sexton 5 Agnostic Sincerity The Poet as Observer in the Work of Keats Bishop and Merrill Conclusion Notes Index From the Conclusion In spite of modern experiments in communal authorship writing poetry remains one of the most individual of acts and yet because it provides the ground upon which the paradoxes of self consciousness can move most freely one of the acts most skeptical about the authority of any individual claim to self understanding In undertaking its experiments poetry may separate itself from certain contexts economic political historical but is itself as local and concrete as these contexts an experience as well as a meditation on our experiences In its particularity its flexibility its sensual and sonic complexity its consideration of the extra rational experiences of pleasure and desire and above all in the ways in which it speaks with both more and less authority more and less presence than an actual human voice poetry offers us the experience of the unknown at the core of proposed self knowledge This is lyric poetry's enduring though not sole claim on us Roman Catholic Saints and Early Victorian Literature Devon Fisher,2016-04-08 Offering readings of nineteenth century travel narratives works by Tractarians the early writings of Charles Kingsley and the poetry of Alfred Tennyson Devon Fisher examines representations of Roman Catholic saints in Victorian literature to assess both the relationship between conservative thought and liberalism and the emergence of secular culture during the period The run up to Victoria's coronation witnessed a series of controversial liberal reforms While many early Victorians considered the repeal of the Test and Corporation Acts 1828 the granting of civil rights to Roman Catholics 1829 and the extension of the franchise 1832 significant advances for others these three acts signaled a

shift in English culture by which authority in matters spiritual and political was increasingly ceded to individuals Victorians from a variety of religious perspectives appropriated the lives of Roman Catholic saints to create narratives of English identity that resisted the recent cultural shift towards private judgment Paradoxically conservative Victorians handling of the saints and the saints lives in their sheer variety represented an assertion of individual authority that ultimately led to a synthesis of liberalism and conservatism and was a key feature of an emergent secular state characterized not by disbelief but by a range of possible beliefs

Idylls of the King Alfred Lord Tennyson, 2004-02-05 Tennyson had a life long interest in the legend of King Arthur and after the huge success of his poem *Morte d'Arthur* he built on the theme with this series of twelve poems written in two periods of intense creativity over nearly twenty years *Idylls of the King* traces the story of Arthur's rule from his first encounter with Guinevere and the quest for the Holy Grail to the adultery of his Queen with Launcelot and the King's death in a final battle that spells the ruin of his kingdom Told with lyrical and dreamlike eloquence Tennyson's depiction of the Round Table reflects a longing for a past age of valour and chivalry And in his depiction of King Arthur he created a hero imbued with the values of the Victorian age one who embodies the highest ideals of manhood and kingship

Victorian Poetry Now Valentine Cunningham, 2011-06-03 This book is the definitive guide to Victorian poetry which its author approaches in the light of modern critical concerns and contemporary contexts Valentine Cunningham exhibits encyclopedic knowledge of the poetry produced in this period and offers dazzling close readings of a number of well known poems Draws on the work of major Victorian poets and their works as well as many of the less well known poets and poems Reads poems and poets in the light of both Victorian and modern critical concerns Places poetry in its personal aesthetic historical and ideological context Organized in terms of the Victorian anxieties of self body and melancholy Argues that rhyming repetition is the major formal feature of Victorian poetry Highlights the Victorian obsession with small subjects in small poems Shows how Victorian poetry attempts to engage with the modern subject and how its modernity segues into modernism and postmodernism

Women and Arthurian Literature Marion Wynne-Davies, 2016-07-27 This is the first full length study of the role of women in Arthurian literature It covers writing from the medieval period the Renaissance the Victorian age and in contemporary fiction Covering the key Arthurian texts such as Chaucer's *Wife of Bath's Tale* *Sir Gawain and the Green Knight* Malory's *Morte d'Arthur* Spenser's *The Faerie Queene* and Tennyson's *Idylls* it also investigates the less well known works by women Lady Charlotte Guest's *Mabinogion* Julia Margaret Cameron's illustration to Tennyson's works and finally the Arthurian women writers of the twentieth century

Tennyson and the Text Gerhard Joseph, 1992-04-09 This 1992 study of Tennyson evolves its themes from the weaving figure of *The Lady of Shalott* which becomes a kind of parable for the author and his texts Taking its derivation from the Latin *texere* to weave Professor Joseph's focus on poetic texture and a sense of textuality leads to a consciousness of his own critical and interpretative weaving while revealing a pattern in the fabric of Tennyson's work This procedure brings together a theory of perception developed in the

first part of this study with an analysis of the gendering of Tennyson's characters in the second part and engages with the methodologies of deconstruction psychoanalysis and gender theory The weaving metaphor also opens up a key theoretical issue regarding Tennyson's poetics is the textual shuttle managed by the controlling hand of a historically definable author or is the poetic weaver cursed like the Lady of Shalott to suffer a mystifying doom at the unseen hand of an all pervasive textuality that occludes authorial intention *The Literature of Melancholia* M. Middeke, Christina Wald, 2011-11-18 This collection analyzes philosophical psycho analytic and aesthetic contexts of the discourse of melancholia in British and postcolonial literature and culture and seeks to trace the multi faceted phenomenon of melancholia from the early modern period to the present Texts discussed range from Shakespeare and Milton to Coetzee and Barker The Lyric in Victorian Memory Veronica Alfano, 2017-11-11 This book is a study of nineteenth century poems that remember yearn for fixate on and forget the past Reflecting the current critical drive to reconcile formalist and historicist approaches to literature it uses close readings to trace the complex interactions between memory as a theme and the often memorable formal traits such as brevity stanzaic structure and sonic repetition that appear in the lyrics examined This book considers the interwoven nature of remembering and forgetting in the work of four Victorian poets It uses this theme to shed new light on the relationship between lyric and narrative on the connections between gender and genre and on the way in which Victorians represented and commemorated the past **High Victorian Culture** D. Morse, 1993-01-21 an illuminating survey work by a robust and powerful intelligence with an impressive grasp of a great deal of material Tony Tanner The Times Literary Supplement High Victorian Culture is an in depth study of Victorian Literature and culture in its heyday from the accession to the throne by Queen Victoria in 1837 to her proclamation as Empress of India in 1877 the age of Dickens Carlyle Mill George Eliot Tennyson and Browning It is a time of growing national self confidence and of impressive industrial scientific and literary achievements yet it is also an age marked by dislocation and uncertainty Freedom of speech and openness of discussion were values on which Victorians ostensibly prided themselves yet the actual prospect was one which high victorian culture found deeply troubling Women's Theology in Nineteenth-Century Britain Julie Melnyk, 2019-07-16 First published in 1998 This collection of original essays identifies and analyzes 19th century women's theological thought in all its diversity demonstrating the ways that women revised subverted or rejected elements of masculine theology in creating theologies of their own While women's religion has been widely studied this is the only collection of essays that examines 19th century women's theology as such A substantial introduction clarifies the relationships between religion and theology and discusses the barriers to women's participation in theological discourse as well as the ways women overcame or avoided these barriers The essays analyze theological ideas in a variety of genres The first group of essays discusses women's nonfiction prose including women's devotional writings on the Apocalypse devotional prose by Christina Rossetti and its similarities to the work of Hildegard von Bingen periodical prose by Anna Jameson and Julia Wedgwood and the letters of Harriet and Jemima

The Spasmodic Poets Lori A. Paige,2022-10-28 Few stories capture the unique interplay of critical theory mass media and public taste better than the story of the Spasmodics These earnest youthful and largely self educated neo Romantics hoped to become prophets who would influence literary society on a grand scale From about 1850 to 1860 the Spasmodics successfully cast a long shadow over virtually every serious discussion of Victorian poetry Many mid nineteenth century writers including Tennyson both Brownings and Matthew Arnold were either adherents or outspoken detractors of the Spasmodic School This work documents in appropriate social contexts the trajectory of the Spasmodic School in both its original incarnation and subsequent appraisals Examining the various personalities and aesthetic principles that fashioned the movement the author does not champion any particular critical stance or verdict The scholarly apparatus cites a number of competing Victorianist interpretations approaches and judgments with varying degrees of expertise *Colour'd Shadows*
