**Tentmakers Speak** Don Hamilton,1989    **Working Abroad with Purpose** Glenn D. Deckert,2019-03-05 The wise King Solomon gives us this proverb Do you see a man skilled in his work He will serve before kings Prov 22 29 This book won t ensure that you and your professional skills end up meeting kings but it will show how you and your training can be planted among unreached people abroad By taking a job in your field of expertise you gain far more than a paycheck rather a network of relationships with colleagues and neighbors In doing so you will learn that you are in good company with the Apostle Paul and thousands of other tentmakers in church history Deckert draws on his tentmaking experience with his wife and children spanning twenty years and six countries Readers will learn of a biology professor colleague in the Middle East who on hearing the gospel over lunch replied That s different That s wonderful No one ever taught me that before In another country a nationally ranked chess player after reading the Gospels was moved to tears saying He died for me I m a sinner This book takes you through twelve key areas of tentmaking from finding a job to retirement    **Business as Mission** C. Neal Johnson,2011-10-10 C Neal Johnson offers the first comprehensive guide to business as mission BAM for practitioners He provides conceptual foundations for understanding BAM s unique place in global mission and prerequisites for engaging in it Then he offers practical resources for how to do BAM including strategic planning and step by step operational implementation    **A New Vision, a New Heart, a Renewed Call** David Claydon,2005    **1 Corinthians** Craig L.

**Authentic Lives** Thomas Hale III,2016-12-01 Overcoming the Problem of Hidden Identity in Outreach to Restrictive Nations Are you concerned about unreached or unengaged peoples You probably know that their countries do not welcome missionaries and that followers of Jesus who serve there via traditional sending organizations do not publicize these organizational ties or their churchbased funding sources But have you thought through the consequences of keeping that information hidden Authentic Lives will help you do that and more And if those consequences trouble you Authentic Lives suggests ways to minimize them in traditional organizations and also suggests other options for service altogether The

challenges these other options present are also discussed going without a sending agency is not easy but is sometimes best nonetheless     **Business in Islam** Robert J. Stefan,2020-02-23 We are pleased to offer this fifth title in our APTS Press Monograph Series This is the publication of the author s doctoral dissertation done through the Concordia Theological Seminary in Fort Wayne Indiana USA The purpose of this series is to give our readers broader access to good scholarship that would otherwise be unavailable outside of the academic community This is part of our ongoing commitment to discipleship through publishing Christian mission organizations have enthusiastically embraced business as a means of entry for Christian workers who might not otherwise be able to get into these nations especially MMNs However the embracing of business raises some immediate concerns In light of existing tensions between business and Islam won t missions connected businesses be under the same cloud of conflict More importantly isn t the Gospel put under this cloud thereby negatively impacting the spread of the kingdom of God Also if the business and mission companies expatriate owners and employees are western especially American won t the conflicts inevitably intensify And if so are there ways such entities can be operated in order to minimize the conflict with Islamic sensitivities This book will address these and other related questions     **NIVAC**
