Terminations Notable American Authors:

Terminations (A Collection of Short Stories) Henry James, 2016-04-03 This early work by Henry James was originally published in 1895 and we are now republishing it with a brand new introductory biography Henry James was born in New York City in 1843 One of thirteen children James had an unorthodox early education switching between schools private tutors and private reading James published his first story A Tragedy of Error in the Continental Monthly in 1864 when he was twenty years old In 1876 he emigrated to London where he remained for the vast majority of the rest of his life becoming a British citizen in 1915 From this point on he was a hugely prolific author eventually producing twenty novels and more than a hundred short stories and novellas as well as literary criticism plays and travelogues Amongst James's most famous works are The Europeans 1878 Daisy Miller 1878 Washington Square 1880 The Bostonians 1886 and one of the most famous ghost stories of all time The Turn of the Screw 1898 We are republishing these classic works in affordable high quality modern editions using the original text and artwork

Forthcoming Books Rose Arny, 1999 Literary Shrines: The Haunts of Some Famous American Authors Theodore F. Wolfe, 2019-12-13 Theodore F Wolfe's Literary Shrines The Haunts of Some Famous American Authors presents an engaging exploration of the physical spaces that shaped the minds of iconic American writers Through meticulously researched narratives Wolfe blends storytelling with critical analysis inviting readers to wander through the literary landscapes where creativity flourished From the rustic charm of New England to the vibrant streets of New Orleans the book pays homage to the geographical and historical contexts that influenced the works of renowned authors such as Mark Twain Emily Dickinson and Ernest Hemingway Wolfe's prose is both evocative and insightful capturing the essence of each location while employing a scholarly lens that invites deeper reflection on the symbiotic relationship between place and creativity The author Theodore F Wolfe is not only a literary scholar but also a passionate advocate for preserving literary heritage His extensive background in American literature and history coupled with a personal affinity for the spaces he explores provides a rich foundation for this work Wolfe's travels to these storied sites have allowed him to bridge the gap between readers and the environments that fostered literary brilliance making his insights all the more poignant This book is a must read for literature enthusiasts and history buffs alike Wolfe adeptly captures the invisible threads connecting authors to their environments enriching the reader's understanding of American literature As you journey through these literary shrines prepare to awaken your imagination and forge a deeper connection with the writers you admire

The Twentieth Century Biographical Dictionary of Notable Americans ... Rossiter Johnson, John Howard Brown, 1904 **The Twentieth Century Biographical Dictionary of Notable Americans ...**, 1904 **Notable American Women** Susan Ware, 2004 This latest volume brings the project up to date with entries on almost 500 women whose death dates fall between 1976 and 1999 You will find here stars of the golden ages of radio film dance and television scientists and scholars civil rights activists and religious leaders Native American craftspeople and world renowned artists

For each subject the volume offers a biographical essay by a distinguished authority that integrates the woman's personal life with her professional achievements set in the context of larger historical developments Terminations Henry

James, 2013-03-01 Bonded Leather binding **Handbook of Native American Literature** Andrew Wiget, 2013-06-17 The Handbook of Native American Literature is a unique comprehensive and authoritative guide to the oral and written literatures of Native Americans. It lays the perfect foundation for understanding the works of Native American writers. Divided into three major sections: Native American Oral Literatures, The Historical Emergence of Native American Writing, and A Native American Renaissance 1967 to the Present, it includes 22 lengthy essays written by scholars of the Association for the Study of American Indian Literatures. The book features reports on the oral traditions of various tribes and topics such as the relation of the Bible, dreams, oratory, humor, autobiography, and federal land policies to Native American literature. Eight additional essays cover teaching Native American literature, new fiction, new theater, and other important topics, and there are bio-critical essays on more than 40 writers ranging from William Apes, who in the early 19th century denounced white society's treatment of his people, to contemporary poet Ray Young Bear. Packed with information that was once scattered and scarce, the Handbook of Native American Literature, a valuable one-volume resource, is sure to appeal to everyone interested in Native American history, culture, and literature. Previously published in cloth as *The Dictionary of Native American Literature*.

The Western Journals of Nehemiah and Henry Sanford, 1839-1846 Kenneth E. Lewis, 2019-03-01 The late antebellum period saw the dramatic growth of the United States as Euro-American settlement began to move into new territories west of the Mississippi River. The journals and letters of businessmen Nehemiah and Henry Sanford, written between 1839 and 1846, provide a unique perspective into a time of dramatic expansion in the Great Lakes and beyond. These accounts describe the daily experiences of Nehemiah and his wife Nancy Shelton Sanford as they traveled west from their Connecticut home to examine lands for speculation in regions undergoing colonization, as well as the experiences of their son Henry, who later came out to the family's western property. Beyond an interest in business, the Sanfords' journals provide a detailed picture of the people they encountered and the settlements and country through which they passed, and include descriptions of events, activities, methods of travel, and travel accommodations, as well as mining in the upper Mississippi Valley and Michigan's Upper Peninsula and a buffalo hunt on the Great Plains. Through their travels, the Sanfords give us an intimate glimpse of the immigrants, settlers, Native Americans, missionaries, traders, mariners, and soldiers they encountered, and their accounts illuminate the lives and activities of the newcomers and native people who inhabited this fascinating region during a time of dramatic transition. The Oxford Companion to Twentieth-century Literature in English Jenny Stringer, 1996 Survey of twentieth-century English language writers and writing from around the world, celebrating all major genres with entries on literary movements, periodicals, more than 400 individual works, and articles on approximately 2,400 authors. *Paris:*
