Alliances for Sustainable Development L. Berlie, 2009-11-27 A lively and hands on exploration of corporate NGO alliances It offers original insight to understand why alliances exist and to what end It also looks into the asymmetries between partners and dwells on three crucial aspects of alliances management alliance capacity development stakeholder involvement and alliance metrics

Nonprofit and Business Sector Collaboration Sridhar Samu, Walter W Wymer, Jr, 2013-04-03 Business managers are you considering supporting a worthy cause Nonprofit administrators are you considering looking for a corporate partner Examine ways to reap the benefits while avoiding the sometimes hidden pitfalls of these partnerships In the last decade cooperation between businesses and nonprofit organizations has increased dramatically Businesses no longer content to simply make contribution to worthy causes are now working with nonprofits in ways that help them increase their visibility and reach new consumer groups In this book top researchers explore the how why and when of this kind of collaboration In addition to examining the various types of relationships that currently exist between these kinds of organizations and what the future could hold *Nonprofit and Business Sector Collaboration* goes on to explore cause related marketing philanthropy social enterprise sponsorships alliances licensing agreements and more This informative book illustrates the motives for and expected outcomes of developing these collaborative business relationships and then gets specific with insightful examinations of the role that marketing plays in cross sector collaboration alliances strategic partnerships symbiotic marketing etc and the characteristics each partner and the partnership itself must have to succeed how the public's attitude toward a charity can change when the charity accepts corporate donations how existing perceptions of a company's ethics can affect a cause related marketing campaign Pepsi's cause related marketing campaigns in Spain how they were perceived by the Spanish population and their effect on the company's image there how nonprofits can create successful relationships with corporate sponsors and their customers how businesses and arts organizations can work together for their mutual benefit and more

Collaborating for Our Future Barbara Gray, Jill Purdy, 2018-02-22 Organizations turn to multistakeholder partnerships MSPs to meet challenges that they cannot handle alone By tapping the resources of diverse stakeholders MSPs develop the capability to address complex issues and problems such as health care delivery poverty human rights watershed management education sustainability and innovation This book provides a comprehensive understanding of MSPs why they are needed the challenges partners face in working together and how to design them effectively Through the process of collaboration partners combine their differing strengths vantage points and expertise to craft innovative responses to pressing societal concerns The book offers valuable advice for leaders about how to design and scale up effective partnerships and how to address potential obstacles that partners may face Drawing on three

comprehensive cases and countless shorter examples from around the world the book offers both practical advice for organization embarking on an MSP as well as a theoretical understanding of how partnerships function Using an institutional theory lens it explains how partnerships can effect change in institutional fields by reducing turbulence and negotiating a common set of norms and routines to govern partners future interactions within the field of concern *The Business Student's Guide to Sustainable Management* Petra Molthan-Hill,2017-11-09 The Business Student s Guide to Sustainable Management has become a core textbook for business undergraduates With a full introduction to sustainable management the textbook covers all subject areas relevant to business students This second edition features fully updated chapters on how to integrate the Sustainable Development Goals into accounting marketing HR and other subjects in management and business studies Furthermore this second edition offers brand new chapters on how to teach the Principles for Responsible Management Education PRME in any business discipline how to explore new business models designed to support sustainable development and how to crowdsource for sustainable solutions The book contains over 40 ready made seminars short workshops which enable teachers and students to integrate the Sustainable Development Goals SDGs into every discipline in business including economics operations marketing HR and financial reporting Each chapter follows the same easy to use format The Business Student s Guide to Sustainable Management provides a true treasure chest of materials to support staff wanting to integrate sustainability into their teaching and provides support to effectively embed sustainability in the curriculum The chapters also offer a starting point in developing teaching units for Masters and MBA students The material is not just useful to people in business schools but to those involved in wider scale curriculum change and those looking to make links between different disciplines for example how to teach system thinking corporate peace making and the crowdsourcing of sustainable solutions Online Teaching Notes to accompany each chapter are available on request with the purchase of the book *Corporate Business Responsibility* Justin O'Brien,2017-03-02 The 2008 9 crisis in global commercial debt markets exposed glaring deficiencies in corporate and regulatory operational and strategic risk management systems This collection provides an overview of how narrow conceptions of responsibility in corporate law organizational practice and regulatory dynamics facilitated the crisis The first section revisits the debates about the role of the corporation prompted by the publication of *The Modern Corporation and Private Property* 1932 The second section explores why the conception of enlightened shareholder interest gained and retained potency despite demonstrable failure The third section explores how the interaction between the foundational assumptions of corporate law and the questionable efficacy of shareholder control framed regulatory responses to the growth of financial capitalism The fourth section examines ways in which excess can be restrained by the interaction between hard law softer governance arrangements such as principles and crucially norms **Environmentalism and NGO Accountability** Kemi C. Yekini,Liafisu Sina Yekini,Paschal Ohalehi,2020-11-27 It is increasingly being recognised across society that the preservation of our natural environment should

shape political economic and social policies This book delves into the partnership of non governmental organisations NGOs Environmental NGOs ENGOs their communities and their governmental counterparts in responding to this need *Profits and Sustainability* Geoffrey Jones,2017 This book explores the history of green entrepreneurship since the nineteenth century and its spread globally in industries including renewable energy organic food natural beauty ecotourism recycling architecture and finance

Stakeholders, the Environment and Society Sanjay Sharma,Mark Starik,2004-01-01 The role of stakeholders is integral to corporate sustainability as society increasingly demands that corporations play a role in achieving environmental objectives in addition to building shareholder wealth In this the first book to gather cutting edge

The Third Sector Richard Hull,Jane Gibbon,Oana Branzei,Helen Haugh,2011-11-01 The Third Sector is of increasing economic and political interest but has been relatively ignored by Critical Management Studies This book presents international research from a variety of critical perspectives Each chapter is followed by a 1 000 word Commentary from a fellow contributor

Unfolding Stakeholder Thinking 2 Jörg Andriof,Sandra Waddock,Bryan Husted,Sandra Sutherland Rahman,2017-09-08 This book is the companion to Unfolding Stakeholder Thinking Theory Responsibility and Engagement which examined many emerging theoretical and normative issues and was released to acclaim in October 2002 Unfolding Stakeholder Thinking 2 collects a series of essays by leading researchers worldwide to focus on the practice of stakeholder engagement in terms of relationship management communication reporting and performance As stakeholder relationships and business in society have become increasingly central to the unfolding of stakeholder thinking important new topics have begun to take centre stage in both the worlds of practice and academia The first part of the book makes clear that simply engaging with stakeholders is insufficient to build successful stakeholder strategies Companies considered as the focal entity in a relationship also need to actively communicate with stakeholders and manage their relationships Dialogue is essential but can only be useful if companies listen to the messages that stakeholders are sending them It is also essential to understand the role of power and influence in stakeholder engagement strategies especially if partnerships or collaborations emerge from the relationships that are engendered The book examines a wide range of corporate NGO collaborations to determine what makes them effective and what makes them fail Conflict management in stakeholder alliances is also discussed The second part of the book addresses the critically important element of emerging schemes for the assessment measurement and reporting of business in society and relationships involving stakeholders A variety of current approaches to stakeholder assessment and reporting are discussed here including social auditing and sustainability reporting The evolution of stakeholder thinking has led to a new

view of the firm as an organism embedded in a complex web of relationships with other organisms The role of management becomes immensely more challenging when stakeholders are no longer seen as simply the objects of managerial action but rather as subjects with their own objectives and purposes This book captures the complexity of managing relationships with stakeholders and will provide both practitioners and researchers with a wealth of information on the benefits and consequences of this practice Grassroots Environmental Governance Leah Horowitz, Michael Watts, 2016-12-08

Grassroots movements can pose serious challenges to both governments and corporations However grassroots actors possess a variety of motivations and their visions of development may evolve in complex ways Meanwhile their relative powerlessness obliges them to forge an array of shifting alliances and to devise a range of adaptive strategies Grassroots Environmental Governance presents a compilation of in depth ethnographic case studies based on original research Each of the chapters focuses specifically on grassroots engagements with the agents of various forms of industrial development The book is geographically diverse including analyses of groups based in both the global North and South and represents a range of disciplinary perspectives This allows the collection to explore themes that cross cut specific localities and disciplinary boundaries and thus to generate important theoretical insights into the complexities of grassroots engagements with industry This volume will be of great interest to scholars of environmental activism environmental governance and environmental studies in general Business, Capitalism and Corporate Citizenship Malcolm McIntosh, 2017-09-08 In the first decades of the twenty first century the theory and practice of corporate citizenship and responsibility adapted significantly The pieces in this volume capture the essence of these changes with illuminating reflections by their preeminent authors on success failure learning and progress Featuring contributions from John Ruggie Peter Senge R Edward Freeman Jan Aart Scholte and Georg Kell it charts the rise of corporate citizenship sustainability and corporate social responsibility This title is one of a two volume set a collection of seminal and thought provoking essays drawn from the Journal of Corporate Citizenship s archive accompanied by new analysis and reflection from the original authors Written by some of the most widely recognized academic and business pioneers and leaders of the corporate responsibility and global sustainability movement the volumes make essential reference texts for anyone interested in the radically awakening new global political economy The Journal of Corporate Citizenship was launched in 2001 by Founding Editor Malcolm McIntosh and Greenleaf Publishing Today it continues to fulfil its mission to integrate theory and practice and provide a home for enlightened transdisciplinary thinking on the role of business and organizations in society *The Oxford Handbook of International Organizations* Jacob Katz Cogan, Ian Hurd, Ian Johnstone, 2016 This text provides an authoritative account of the law and politics of international organisations Looking at the role function and history of organisations it offers a wide ranging and thorough analysis of the area
