stimulating said Jonathan Meades in The Evening Standard But now the world's best single volume dictionary of English

English slang vocabulary and to hunt down and record written instances of the use of as many slang words as possible This

Coleman, 2014-01-10 Global English Slang brings together nineteen key international experts and provides a timely and  
essential overview of English slang around the world today The book illustrates the application of a range of different  
methodologies to the study of slang and demonstrates the interconnection between the different sub fields of linguistics A  
key argument throughout is that slang is a function played by specific words or phrases rather than a characteristic inherent  
in the words themselves what is slang in one context is not slang in another The volume also challenges received wisdom on  
the nature of slang that it is short lived and that slang is restricted to verbal language With an introduction by editor Julie  
Coleman the topics covered range from Inner City New York slang and Hip Hop Slang to UK student slang and slang in  
Scotland Authors also explore slang in Jamaica Australia New Zealand India and Hong Kong and the influence of English  
slang on Norwegian Italian and Japanese A final section looks at slang and new media including online slang usage and the  
possibilities offered by the internet to document verbal and gestural slang Global English Slang is an essential reference for
