Sixth Man Switch Tess Eileen Kindig, 2000-02-01 Mickey the shortest boy in the fourth grade is excited about the new basketball team being formed for kids his age but he figures that it will take a miracle from Jesus for him to land a spot on the team

The Sixth Man Łukasz Muniowski, 2021-12-03 While the starting lineup of an NBA team consists of five players there are at least 12 on each roster Allocating time on court to keep each of them satisfied is challenging Theoretically the worst position on the roster is the sixth man so close to being the starter yet seeming to be the odd man out This book aims at dispelling that notion presenting many important players who through the years came off the bench for NBA teams proving that despite not starting they were worthy of playing in the best basketball league in the world
