Eventually you expect silence from the other end. The Unwritten Rules of the Highly Effective Job Search was written so this never happens to you again. These techniques developed by author Orville Pierson have been used successfully for ten years by Lee Hecht Harrison (LHH), the world's premier career services company. Here Pierson provides you with the job search techniques that up to now have been limited to the LHH consultants he trains. Orville Pierson has helped thousands of job hunters during his career, taking note of the characteristics that have led to success as well as failure. In The Unwritten Rules of the Highly Effective Job Search he supplies key information on how professional job search consultants structure the job search project so you can apply the same winning strategies to your own search. You'll also be privy to inside information on how decision makers operate, enabling you to get the inside track on job openings before they are announced. This insider's guide covers every phase of the job search, leading you step by step through the process of creating a clear-cut plan essential to every job search. Using the Pierson Method, you'll learn how to develop a Target List, the key ingredient to every job search. Measure your progress. Create a core message about yourself that decision makers won't forget. Present yourself in the best possible light to prospective employers. Using these strategies, Orville Pierson and LHH have helped 600 000 people land great new jobs.
