The Laments Of Jeremiah And Their Contexts

Geoffrey H. Parke-Taylor

The Laments Of Jeremiah And Their Contexts:

The Laments of Jeremiah and Their Contexts Mark S. Smith, 1990 Jeremiah's Scriptures Hindy Najman, Konrad Schmid, 2016-10-05 Jeremiah's Scriptures focuses on the composition of the biblical book of Jeremiah and its dynamic afterlife in ancient Jewish traditions Jeremiah is an interpretive text that grew over centuries by means of extensive redactional activities on the part of its tradents In addition to the books within the book of Jeremiah other books associated with Jeremiah or Baruch were also generated All the aforementioned texts constitute what we call Jeremiah's Scriptures The papers and responses collected here approach Jeremiah's scriptures from a variety of perspectives in biblical and ancient Jewish sub fields One of the authors goals is to challenge the current fragmentation of the fields of theology biblical studies ancient Judaism This volume focuses on Jeremiah and his legacy **Lament in the Letter of James** Grant Flynn, 2025-08-14 In Lament in the Letter of James Grant Flynn presents the first book length study of lament in James After exploring the contours and development of Old Testament lament Flynn examines the lament material in James including a reference to an act of lament allusions to Old Testament laments and exhortations to lament The author then proposes that the choice to use Job as a model of perseverance implies that Job's lament shaped perseverance informs James's understanding of the virtue By rereading the epistle's opening call to consider trials as pure joy with this Joban perseverance in mind Flynn concludes that James envisions an ongoing cycle of lament and joy that reflects both the pain of human suffering and the hope of eschatological perfection **Seeking the Favor of God: The origins of penitential prayer in Second Temple Judaism** Mark J. Boda, Daniel K. Falk, Rodney Alan Werline, 2006 Paperback edition available from the Society of Biblical Literature www.sbl-site.org *Portraits of a Mature God* Mark McEntire, 2013-04-01 What difference would it make for Old Testament theology if we turned our attention from the more dramatic forceful mighty acts of God to the more subdued but more realistic themes of later writings in the Hebrew Bible The result Mark McEntire argues would be a more mature theology that would enable us to respond more realistically and creatively to the unprecedented challenges of the present age The Formation of the Book of Jeremiah Geoffrey H. Parke-Taylor, 2000 **Dictionary of the Old Testament: Prophets** Mark J. Boda, J. Gordon McConville, 2013-05-14 With this new volume IVP's Black Dictionary series completes its coverage of the Old Testament canonical books A true compendium of recent scholarship the volume includes 115 articles covering all aspects of Isaiah Jeremiah Ezekiel the twelve minor prophets and Daniel *NIVAC Bundle 4: Major Prophets* John N. Oswalt, J. Andrew Dearman, Iain M. Duguid, Tremper Longman III, 2015-11-03 The NIV Application Commentary helps you communicate and apply biblical text effectively in today's context To bring the ancient messages of the Bible into today's world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible

Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written The Oxford Bible Commentary John Barton, John Muddiman, 2007-01-25 CD ROM contains Introductions and verse by verse commentaries to Genesis and Mark s Gospel Logos Library System **The Book of the Prophet Jeremiah** Ebenezer Henderson, 2023-07-18 This book provides a commentary on the Old Testament books of Jeremiah and Lamentations with a focus on their historical context literary structure and theological significance The author draws on a range of sources to provide a detailed analysis of the text and its interpretation This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Ephemerides theologicae Lovanienses** ,1991 "A Wise and Discerning Mind" Burke O. Long, 2000 Jeremiah, Lamentations J. Andrew Dearman, 2011-10-11 The NIV Application Commentary helps you communicate and apply biblical text effectively in today s context To bring the ancient messages of the Bible into today s world each passage is treated in three sections Original Meaning Concise exegesis to help readers understand the original meaning of the biblical text in its historical literary and cultural context Bridging Contexts A bridge between the world of the Bible and the world of today built by discerning what is timeless in the timely pages of the Bible Contemporary Significance This section identifies comparable situations to those faced in the Bible and explores relevant application of the biblical messages The author alerts the readers of problems they may encounter when seeking to apply the passage and helps them think through the issues involved This unique award winning commentary is the ideal resource for today s preachers teachers and serious students of the Bible giving them the tools ideas and insights they need to communicate God s Word with the same powerful impact it had when it was first written Journal of Biblical Literature ,1917 *Protest Against God* William Sproull Morrow, 2006 The Hebrew Bible contains many examples of protest or complaint against God There are classic cases in the psalms of the individual lament but we find the same attitude in community complaint psalms in the prophetic challenges to God and in the Book of Job This intellectual history will be welcomed for its scope its panache and its theological engagement BOOK JACKET Jeremiah Closer Up Jack R. Lundbom, 2010 Closer up than what Many recent studies of Jeremiah leave us with but a faint glimmer of this great Hebrew

prophet in some he disappears completely into later tradition Some scholars think that the book of Jeremiah lacks historical veracity when it was composed supposedly in the late exilic or postexilic periods historical memories had been dimmed and ideology had come to dominate the Jeremiah legacy The present essays combine to argue that both the prophet and his book can be viewed closer up than the imagination of many modern day interpreters will allow The first three essays discuss the text rhetoric and composition of the book of Jeremiah The longer Hebrew text is given preference over the Greek Septuagint text which means that we can dispense entirely with the idea that scribes were busily writing editing and expanding the Jeremiah book in Babylon Rhetorical and other delimiting criteria show that Jeremiah s so called Temple Sermon 7 1 15 is rather a cluster of three oracles manifesting a rudimentary form of logic Finally a correlation of Gedaliah s murder with the exile of 582 argues for a nearly four year existence of the remnant community at Mizpah more than enough time for Jeremiah and Baruch to write up the events following the destruction of Jerusalem The remaining essays discuss Jeremiah s views of history the created order the covenant and nations of the world as well as the prophet s so called confessions These extraordinary insights into the interior disposition of a Hebrew prophet reveal how Jeremiah felt about the word he had to preach and what impact it had on him personally The confessions are analysed both as formal psalm like laments and as gems of rhetorical composition

The Scriptures in the Gospels Christopher Mark Tuckett, 1997 This volume contains the papers from the 45th Colloquium Biblicum Lovaniense held in Leuven in 1996 The book comprises 14 invited papers as well as 21 offered papers read at the meeting The essays are all concerned with the use of Jewish scriptures in the gospels focusing on the individual gospels or on sources e g Q used by the evangelists The essays also reflect the growing significance in literary studies of the notion of intertextuality emphasizing the idea that texts can only be understood in relation to a network or matrix of other texts Most of the essays retain a historical critical approach focusing on the author of the NT texts concerned though with full awareness of the insights to be gained from other approaches to the texts Further full cognizance is taken of the new light being shed on the NT gospels by the evidence emerging from the hitherto unpublished Qumran scrolls with the newly available 4Q521 text being often discussed The essays all show the very great importance of the Jewish scriptures both in themselves and as interpreted by contemporary Jews for interpreting the NT gospels and their traditions This collection will be an invaluable resource for all those engaged in studying the gospels and their traditions especially in seeking to locate those texts within their contexts in Second Temple Judaism

Recent Research on the Major Prophets Alan J. Hauser, Schuyler Kaufman, 2008 Given the many new methods and approaches for interpreting biblical literature that have appeared in the past several decades it is hardly surprising that our understanding of the prophets Isaiah Jeremiah and Ezekiel has expanded and diversified at a rapid pace Historical critical understandings and perspectives have been challenged and often dramatically altered New approaches such as social scientific criticism rhetorical criticism feminist criticism reader response criticism literary analysis anthropological analysis structuralist

criticism ideological criticism and deconstructionist criticism have both challenged old approaches and shed new light on the texts being studied In this volume Alan Hauser presents eleven articles each with an extensive bibliography that survey the variety and depth of recent and contemporary scholarship on these three prophets Five of them are new to this volume All are written by experts in each area of scholarship including Marvin Sweeney Paul Kim Roy Melugin Robert P Carroll Peter Diamond Katheryn Pfisterer Darr and Risa Levitt Kohn Hauser introduces the volume with a comprehensive summary and overview of the articles How Gospels Begin Dennis E. Smith, 1991 *The New Oxford Annotated Bible with the Apocryphal/Deuterocanonical Books* Michael David Coogan, Marc Zvi Brettler, Carol Ann Newsom, Pheme Perkins, 2001 Students professors and general readers alike have relied upon The Oxford Annotated Bible for essential scholarship and guidance to the world of the Bible for nearly four decades Now a new editorial board and team of contributors have completely updated this classic work The result is a volume which maintains and extends the excellence the Annotated s users have come to expect bringing new insights information and approaches to bear upon the understanding of the text of the Bible The new edition includes a full index to all of the study material not just to the annotations and one that is keyed to page numbers not to citations And to make certain points in the text clearer for the reader there are approximately 40 in text line drawing maps and diagrams With the best of the Annotated s traditional strengths and the augmentation of new information and new approaches represented in current scholarship the Third Edition will serve as the reader s and student s constant resource for a new century
