Bullock,2019-10-06 David Redd a gunslinger hell bent on revenge searches the west for four men who wronged him He knows not the names of the men he hunts but he knows their faces and he knows their sins His path of vengeance carries him to the impoverished Town of El Quay presided over by a greedy and corrupt mayor The mayor has enslaved the innocent townsfolk of El Quay and forces them to back breaking work deep within a gold mine known as The Hole But Redd has brought hell to that little town for the mayor is one of the four he has marked for death From the author of My Love Lextacy comes an old west tale of gunslingers outlaws and bloody revenge *The Horror Comic Never Dies* Michael

Walton,2019-02-14 Horror comics were among the first comic books published ghastly tales that soon developed an avid

young readership along with a bad reputation Parent groups psychologists even the United States government joined in a crusade to wipe out the horror comics industry and they almost succeeded Yet the genre survived and flourished from the 1950s to today This history covers the tribulations endured by horror comics creators and the broader impact on the comics industry The genre s ultimate success helped launch the careers of many of the biggest names in comics Their stories and the stories of other key players are included along with a few surprises

Riding in the Wind Chaplain Roger Burdge,2013

Famous as the cradle of the blues the Mississippi Delta is also home to a feared prison called Parchman From this plantation prison came bluesmen like Bukka White But Parchman also produced some of the nation s most feared inmate bosses men that ruled the grounds with fast hands and fierce determination One such boss was Chester Johnston Chester came from a dysfunctional family and served in Vietnam before rising through the biker gang ranks to finally end up running Parchman But after fighting his way to the undisputed position of shot caller of the farm population his rep and hatred of officials and guards eventually caught up to him Nearly beaten to death Chester began reflecting on the God his grandmother had once taught him about His journey to true freedom began with the Bible then surrender and later through sharing the peace he found with young people Although convicted of crimes he denied to his death Chester fought the system for a release that never came **Riding in the Wind** is not just his story it s a look inside one of our nation s most feared institutions The book s greatest revelation is how God changed Chester Johnston granting him the freedom the system never would

Tower VII Stephen King,2004-09-21 Sams Local 11 7 2004 35 00 **The Dark Tower Boxed Set** Stephen King,2017-09-05

For the first time ever as a complete ebook series all of Stephen King s eight Dark Tower novels one of the most acclaimed and popular series of all time Special bonus The ebook boxed set now includes The Complete Concordance a user s guide to the Dark Tower world Set in a world of ominous landscape and macabre menace The Dark Tower series features one of Stephen King s most powerful creations The Gunslinger a haunting figure who embodies the qualities of the lone hero through the ages from ancient myth to frontier Western legend As Roland crosses a desert of damnation in a treacherous world that is a twisted image of our own he moves ever closer to the Dark Tower of his dreams and nightmares This stunning must have collection includes The Dark Tower I The Gunslinger The Dark Tower II The Drawing of the Three The Dark Tower III The Waste Lands The Dark Tower IV Wizard and Glass The Dark Tower The Wind Through the Keyhole The Dark Tower V Wolves of the Calla The Dark Tower VI Song of Susannah and The Dark Tower VII The Dark Tower The perfect keepsake for Stephen King fans The Dark Tower 8 Book Boxed Set is the most extraordinary and imaginative cycle of tales in the English language from the reigning King of American popular literature Los Angeles Daily News **Dissecting Stephen King** Heidi Strengell,2005 In a thoughtful well informed study exploring fiction from throughout Stephen King s immense oeuvre Heidi Strengell shows how this popular writer enriches his unique brand of horror by building on the traditions of his literary heritage Tapping into the wellsprings of the gothic to reveal contemporary phobias King invokes the abnormal and repressed

sexuality of the vampire the hubris of Frankenstein the split identity of the werewolf the domestic melodrama of the ghost tale Drawing on myths and fairy tales he creates characters who like the heroic Roland the Gunslinger and the villainous Randall Flagg may either reinforce or subvert the reader's childlike faith in society And in the manner of the naturalist tradition he reinforces a tension between the free will of the individual and the daunting hand of fate Ultimately Strengell shows how King shatters our illusions of safety and control King places his decent and basically good characters at the mercy of indifferent forces survival depending on their moral strength and the responsibility they may take for their fellow men

Cowboy Politics John S. Nelson, 2017-11-01 The politics of popular westerns are surprising in substance and significance especially of late Cowboy Politics shows how westerns in literature cinema and television face the challenges of Western Civilization even more than the perils of American frontiers Its strategy is to compare key westerns with major theories of modern and postmodern politics So it analyzes novels from Owen Wister to Zane Grey and Larry McMurtry It focuses on films from the western revival beginning in the 1990s and featuring Clint Eastwood's *Unforgiven* while its interest in TV stretches from singing cowboys and Gunsmoke to David Milch's *Deadwood* Critics are apt to find in westerns the modern politics of Thomas Hobbes and John Locke They tap devices of individuality rationality contract sovereign enforcement and representation to overcome the chaotic violence of a wild zone Cowboy Politics examines how westerns often find such measures insufficient to tame the West as a culture of honor and anger that deteriorates into feudal vengeance Instead westerns see the West as the sunset land that is already growing old and moving on So westerns seek fresh starts informed by comparing civilizations more than demonizing savages Westerns worry that modern politics devolve into exploitation oppression spectacle and terror So they pursue supplements in such postmodern politics as republicanism perfectionism populism feminism and environmentalism Especially westerns explore politics of persuasive speech in action in public doing beauty and self reliance in the modes of Hannah Arendt and Ralph Waldo Emerson The first two chapters of Cowboy Politics explain how westerns do political theory for popular audiences by making many of our myths the symbolic stories of individuals and communities which we live daily The next three chapters trace the initially modern theories of government in many westerns Then western turns to republican honor rhetoric response ability and character tracking occupy the following four chapters And these set the stage for another four chapters on western attention to postmodern terror mythmaking celebrity spectacle and forgiveness The final two chapters analyze how late satirical and transformative westerns develop realist defenses for their surprisingly postmodern politics
