Lewis, O. S. Marden, 2023-02-08 Two ways are open before you in life One points to degradation and want the other to usefulness and wealth In the old Grecian races one only by any possible means could gain the prize but in the momentous race of human life there is no limiting of the prize to one No one is debarred from competing all may succeed provided the right methods are followed Life is not a lottery Its prizes are not distributed by chance There can hardly be a greater folly not to say presumption than that of so many young men and women who on setting out in life conclude that it is no use to mark out for themselves a course and then set themselves with strenuous effort to attain some worthy end who conclude therefore to commit themselves blindly to the current of circumstances Is it anything surprising that those who aim at nothing accomplish nothing in life No better result could reasonably be expected Twenty clerks in a store twenty

apprentices in a ship yard twenty young men in a city or village all want to get on in the world most of them expect to succeed One of the clerks will become a partner and make a fortune one of the young men will find his calling and succeed But what of the other nineteen They will fail and miserably fail some of them They expect to succeed but they aim at nothing content to live for the day only consequently little effort is put forth and they reap a reward accordingly ABOUT THE AUTHORS Harry A Lewis entered Harvard College in 1964 and discovered his passion for computer programming during a part time job in a Harvard psychology laboratory He graduated summa cum laude in Applied Mathematics in 1968 Lewis served as a commissioned officer of the US Public Health Service during the Vietnam War worked on image processing and systems programming and later earned his PhD in Applied Mathematics He became a Gordon McKay Professor of Computer Science at Harvard and authored books on computer science and higher education Lewis also served as Dean of Harvard College from 1995 to 2003 Orison Swett Marden 1848 1924 was an American inspirational author who wrote about achieving success in life and founded SUCCESS magazine in 1897 His writings discuss common sense principles and virtues that contribute to a well rounded successful life Many of his ideas are based on New Thought philosophy His first book Pushing to the Front 1894 became an instant best seller Marden went on to publish fifty or more books and booklets averaging two titles per year The Victorious Attitude Orison Swett Marden,1916 Selected Stories of Orison Swett Marden Orison Swett Marden,2021-01-19 Selected Stories of Orison Swett Marden Wanted a man who though he is dominated by a mighty purpose will not permit one great faculty to dwarf cripple warp or mutilate his manhood who will not allow the over development of one facility to stunt or paralyze his other faculties Selected Stories of Honor de Balzac by Honor de Balzac In this collection Honor de Balzac presents a selection of his acclaimed short stories showcasing his incredible talent for vivid storytelling and character development With its rich language and engaging narratives this book is a must read for fans of classical literature Key Aspects of the Book Selected Stories of Honor de Balzac Collection of Short Stories The book features a collection of acclaimed short stories by Honor de Balzac Vivid Storytelling and Character Development The stories showcase Balzac s incredible talent for vivid storytelling and character development Useful for Literature Enthusiasts The book is useful for fans of classical literature and those interested in the works of Balzac Honor de Balzac was a French novelist and playwright who is regarded as one of the greatest writers of Western literature His book Selected Stories of Honor de Balzac is highly regarded for its captivating storytelling and rich language **The Victorious Attitude** Orison Swett Marden,2019-11-21 In The Victorious Attitude Orison Swett Marden presents a transformative exploration of the human spirit advocating for a mindset that champions positivity resilience and personal empowerment Marden an early figure in the self help movement employs a blend of anecdotal evidence philosophical insights and motivational teachings to construct a compelling narrative that encourages readers to cultivate an unwavering belief in their potential The book is marked by its accessible literary style often incorporating vivid imagery and engaging examples that resonate with both the

Marden,2020-04-03 It is important to thoughtfully choose our careers but for many reasons many of us take a job because it is the first decent offer that comes along Over time we are content to move up in salary rather than personal satisfaction We have no choice as we have bills to pay and a family to support But Orison Swett Marden says that we must not settle We have a personal obligation to find our own happiness and success In fact the world demands that we experience fulfillment for ourselves as our happiness also affects those around us In this book *Discovering Yourself* Marden goes through the preparation and pursuit of fulfillment and includes the life stories of successful men and women as told by themselves Chapters include The Victorious Attitude According to Thy Faith Doubt the Traitor Making Dreams Come True Making Yourself a Prosperity Magnet Where Your Supply Is You Are Headed Toward Your Ideal Education Under Difficulties Misfit Occupations This One Thing I Do Enthusiasm Doing Everything To A Finish The Help Yourself Society How to Find Oneself Life Stories of Successful Men and Women Told By Themselves To be a conqueror in appearance in one s bearing is the first step toward success It inspires confidence in others as well as in one self Walk talk and act as though you were a somebody and you are more likely to become such Move about among others as though you believe you are a person of importance Let victory speak from your face and express itself in your manner Carry yourself like one who is conscious of having a splendid mission a grand aim in life Radiate a hopeful expectant cheerful atmosphere In other words be a good advertisement of the winner you are trying to be
