Only through goal-oriented motivation, the kind that will sustain you through difficult periods and is instilled intricately into your daily life, can you achieve your dreams. This cutting-edge program was developed by the motivation master himself. The subject of money remains one of the most emotional, polarizing, and well-researched subjects in the world. Despite constant focus and interest, there is one word that describes the average person's views around money: confusion. Now learn the science of money, tested and proven for millennia. By applying Brian's ideas to your life and business, you can become financially successful. One of the most crucial skills for everyone to develop is influence.
