Miller believes the whole town of Manila, Arkansas, is surrounded by the supernatural. And it only happens to the kids, not the adults. Novotny, 2021-06-11 Put your foot back on the cliff and step away from the edge, said on April 4, 2012, by the newest of our attending physicians to my son Josh. Josh had just told the doctor that he felt like he was on the rim of a cliff with one foot hanging over the edge. It was obvious Josh's determination to keep fighting was what was hanging on that cliff, teetering all too close to the edge. As the doctor got up to leave Josh's hospital room that day, Josh mustered every bit of energy he had fought the pain he was feeling in his legs and stood up to shake the doctor's hand. The doctor's pronouncement gave us all hope that maybe, just maybe, there might be some answers among the myriad of doctors that had paraded through Josh's hospital room. On that day, in the little notebook that had become my own daily log regarding Josh's medical condition, I wrote: Thank God for this doctor. This is not a story bit by bit of detailed medical jargon or descriptions. It is not meant to cast doubt on individual doctors' decisions made or not made, the medical profession, or military hospitals. It is simply a story of courage. Courage, the ability to face danger, difficulty, uncertainty, or pain without being overcome by fear or being deflected from a chosen course of action. Bravery. Leave It to Cleaver Victoria Hamilton, 2017-06-23

In the brand new Vintage Kitchen Mystery from the author of *White Colander Crime*, someone with an old grudge decides it's time to bury the hatchet. Smartly written and successfully plotted, the debut of this new cozy series exudes authenticity. Library Journal on *A Deadly Grind*. Vintage cookware and cookbook collector Jaymie Leighton has agreed to help her sister clear out the house of a deceased older neighbor, and she's thrilled at the prospect of discovering antique kitchenware and other treasures until she opens a vintage trunk in the cellar and finds the remains of a teenage girl with a cleaver buried in her skull. When the body of a second girl is found just days later in a nearby river, the clues all indicate that the crimes are connected and that the culprit's motives are hidden in the past. Jaymie just wants to cut and run, but the victims were both high school classmates of her sister when they disappeared, and that makes Jaymie the perfect person to help the local police investigate the killings. As she dredges up old memories and even older rivalries and jealousies, her list of suspects grows. But Jaymie knows she'll have to whittle it down to just one, and fast, because someone has decided to cut their ties to Jaymie in the most fatal of ways. Includes a vintage recipe. Praise for the Vintage Kitchen Mysteries: All the right ingredients. Small town setting, kitchen antiques, and a bowlful of mystery. A perfect recipe. New York Times bestselling author Susan Wittig Albert. A charming new series. New York Times bestselling author Sheila Connolly. A chilling whodunit. Richmond Times Dispatch.
