The Devil And Daniel Silverman:

The Devil and Daniel Silverman Theodore Roszak, 2003 Danny Silverman a gay Jewish novelist is invited to give a speech on humanism at a church college in Minnesota where he gets snowed in with a hostile audience of Christian fundamentalists *Evangelicals and the Arts in Fiction* John Weaver, 2013-04-19 This book is an exploration of how the relationship of evangelicals to the arts has been portrayed in fiction for the last century The author argues that evangelicals are consistently seen as enemies of the arts by non evangelical writers The artist typically represented by a literal artist occasionally by a scientist or reluctant messiah typically has to fight for liberation from such cliched character types as the failed evangelical artist the rube or the hypocritical pastor Rather than resist the cliché of anti art evangelicalism the book contends that evangelicals should embrace it this stereotype is only hurtful so long as one assumes that the arts represent a positive force in human society This work built off the scholarship of John Carey does not make that assumption Surveying the current pro artistic views of most evangelicals the author advances the argument that evangelicals need to return to their anti art roots By doing so they would align themselves with the most radical artistic elements of modernism rather than with the classicists that the movement currently seems to prefer and provide space for themselves to critique how secular artistic stereotypes of evangelicals have economically and artistically marginalized the evangelicals community **Princeton**

Alumni Weekly, 2002 **Anarcho-primitivism**, **Flicker** Theodore Roszak, 2005 From the golden age of art movies and underground cinema to X rated porn splatter films and midnight movies this breathtaking thriller is a tour de force of cinematic fact and fantasy full of metaphysical mysteries that will haunt the dreams of every moviegoer Jonathan Gates could not have anticipated that his student studies would lead him to uncover the secret history of the movies a tale of intrigue deception and death that stretches back to the 14th century But he succumbs to what will be a lifelong obsession with the mysterious Max Castle a nearly forgotten genius of the silent screen who later became the greatest director of horror films only to vanish in the 1940s at the height of his talent Now 20 years later as Jonathan seeks the truth behind Castle's disappearance the innocent entertainments of his youth the sexy sirens the screwball comedies the high romance take on a sinister appearance His tortured quest takes him from Hollywood's Poverty Row into the shadowy lore of ancient religious heresies He encounters a cast of exotic characters including Orson Welles and John Huston who teach him that there's more to film than meets the eye and journeys through the dark side of nostalgia where the Three Stooges and Shirley Temple join company with an alien god whose purposes are anything but entertainment *2012 Novel & Short Story Writer's Market* Adria Haley, 2011-08-15 The Best Resource Available for Getting Your Fiction Published For more than 30 years Novel Short Story Writer's Market has provided aspiring authors with the most complete and up to date information they need on publishing their work This edition is the best yet with more than 1 500 listings and more Edited by al content than ever before with interviews and articles from industry insiders on pertinent topics like the importance of developing your prose
