[Homeboyz](#) Alan Lawrence Sitomer,2018-12-04 Alan Lawrence Sitomer writes a compelling story of piecing together a life after a devastating loss when the threat of violence lurks at every step When Teddy Anderson's little sister Tina is gunned down randomly in a drive by shooting the gangstas who rule the streets in the Anderson family's rapidly deteriorating neighborhood dismiss the incident as just another case of wrong place wrong time According to gangsta logic Tina doesn't even count as a statistic After his elaborately laid plans for revenge against his sister's killer are foiled by the cops Teddy soon finds himself in and then out of prison on house arrest into the hands of Officer Mariana Diaz the smart tough probation officer assigned to oversee his endless hours of community service As part of the innovative rehabilitation program Diaz runs Teddy is assigned to tutor Micah a twelve year old orphan and would be gansta As Teddy goes through the motions of complying with the terms of his probation Diaz has no idea that he is using his genius level computer hacker skills to plot his final vengeance and to defraud the state education system of hundreds of thousands of dollars But even though Teddy thinks he knows it all he fails to see how Micah's desperate need for love and trust just might have the power not only to pierce all Teddy's defenses but to save his family

[The Secret of MeadowBrook Orphanage](#) D. C. Johnson,Ron Rowan,2012-05 It is said that love is the greatest gift of all but in reality there are two greatest gifts One is love that much we already know to be true However the second greatest gift is that of being a child for it is only as a child that one knows how to truly believe And it is this simple act of believing that has its own special kind of magic as you will see in this story When a child believes there is an energy that feeds everything and everyone around them It feeds even those magical beings who most adults can no longer see nor will they ever see again because they no longer know how to see that which they stopped believing in Sadly enough there are even some children who stop believing Sometimes it takes the energy of other children to awaken their beliefs again and that is also the case in this story So I invite you to reconnect to the magic that each of us once had the magic that children always hold and the magic that will bring you to a place where everything is possible All you have to do is believe
