The Diary of Iris Vaughan Iris Vaughan, 1964 **Laugh, the Beloved Country** James Clarke, Harvey Tyson, 2003
Contains writings of people known as writers of English language humour in South Africa Exploring decolonising themes in South African sport history Francois Cleophas, 2018-10-01 Hierdie reeks van 4 historiese boeke deur P J van der Merwe herleef weer deur middel van digitale druk tegnologie Die oorspronklike boeke is geskandeer en is nou beskikbaar in druk en PDF-formaat as 'n stel of individueel Die ander boeke in die reeks is Die Noordwaartse Beweging van die Boere voor die Groot Trek 1770 1842 en Die Trekboer in die Geskiedenis van die Kaapkolonie 1657 1842 en TREK Studies oor die Mobiliteit van die Pioniersbevolking aan die Kaap 1770 1842 *The Child Writer from Austen to Woolf* Christine Alexander, Juliet McMaster, 2005-06-16 A collection of essays on the juvenilia of famous authors including Austen the Brontës George Eliot and Virginia Woolf **Home and Away** David Owen, Lesley Peterson, 2016-02-08 Home and Away The Place of the Child Writer is an important contribution to the fast growing and rapidly evolving field of literary juvenilia studies This collection of essays by fifteen scholars is the first in this area to be published in the past decade To reflect recent developments Home and Away both theorises the current state of this richly interdisciplinary academic field and exemplifies juvenilia studies in action An authoritative review of the origins and future of literary juvenilia studies is followed by a collection of essays on individual authors Wide ranging in literary periods covered geographical regions represented and methodological approaches employed the collection is organized around the basic tenet that the familiar world of home and the as yet untravelled territory of adulthood are both important to the imaginations of juvenile authors The relationships and values of the parental home the topography of the home place the literature and lives that first fired their imaginations as children find expression in young writers works So too do the unfamiliar or extra familiar connections lifestyles landscapes and literature that the child writer anticipates imagines or invents whether as a means of temporary escape while still at home or as a process of preparing for adulthood and artistic maturity *A Literary Guide to the Eastern Cape* Jeanette Eve, 2003 The Eastern Cape is a country of great natural beauty and tourist potential and has produced a wealth of writers and writings that have responded to the landscape in a variety of interesting and enjoyable ways **National Character in South African English Children's Literature** Elwyn Jenkins, 2006-11-01 This is the first full length study of South African English youth literature to cover the entire period of its publication from the late nineteenth century to the early twenty first century Jenkins book focuses on what made the subsequent literature essentially South African and what aspects of the country and its society authors concentrated on What gives this book particular strength is its coverage of literature up to the 1960s which has until now received almost no scholarly attention Not only is this earlier literature a rewarding subject for study in itself but it also throws light on subsequent literary developments Another exceptional feature is that the book follows the author's previous work in placing children's literature in the context of adult South African literature and South African cultural history e g

cinema He also makes enlightening comparisons with American Canadian and Australian children s literature **The Brontës and War** Emma Butcher,2019-12-03 This book explores the representations of militarism and masculinity in Charlotte and Branwell Brontë s youthful writings It offers insight into how the siblings understood and reimagined conflict both local and overseas and its emotional legacies whilst growing up in early nineteenth century Britain Their writings shed new light on a period little discussed by social and military historians providing not only a new approach to Brontë Studies but also acting as a familial case study for how the media captivated and enticed the public imagination Hidden Karoo Patricia Kramer,2021-03-01 The Karoo is big sky country a land of vast open plains punctuated by flat topped mountains conical hills and secluded valleys a land of scrubby bushes and hardy trees where pioneers carved roads out of rock to set down roots in an unforgiving environment Here dreams are born legends are made and outcasts find sanctuary It is also an ancient place whose story is revealed through geology fossils and artefacts and whose human lineage predates any written history Today the people who inhabit it must manifest the same fortitude that sustained those who left their footprints in the primordial mud In Hidden Karoo you will find all this and more Through a series of superb photo essays this majestic place is revealed as a land where conservation and neglect are seldom far apart where one town boasts splendidly restored buildings while along a dusty back road lie forgotten villages waiting for something Could it be a renewal or a slow death There is nothing novel about the movement of people from country to city and the Karoo mimics other parts of the world where rural areas become derelict as they are depopulated Hidden Karoo presents a snapshot of the region as it is now offering a glimpse into towns and villages farmsteads and churches important buildings and humble homes all against a backdrop of awe inspiring landscapes Through words and pictures it prompts us to consider what was what is and perhaps what might be One constant about the Karoo is change A book can do no more than capture a moment in time or depict fragments of a place but in doing so it bears witness to the past and offers the hope that there may yet be a future for this unparalleled part of our country **Adamastor** Jay Heale,2004
