*Sneaking Around* Betsy Haynes, 1995 When Joni Crystal and Su Su run up a humongous phone bill calling a teen advice hot line they decide to start their own anonymously of course      Paperback Crush Gabrielle Moss, 2018-10-30 For fans of vintage YA a humorous and in depth history of beloved teen literature from the 1980s and 1990s full of trivia and pop culture fun Those pink covers That flimsy paper The nonstop series installments that hooked readers throughout their entire adolescence These were not the serious issue novels of the 1970s nor the blockbuster YA trilogies that arrived in the 2000s Nestled in between were the girl centric teen books of the 80s and 90s short cheap and utterly adored In *Paperback Crush* author Gabrielle Moss explores the history of this genre with affection and humor highlighting the best known series along with their many diverse knockoffs From friendship clubs and school newspapers to pesky siblings and glamorous beauty queens these stories feature girl protagonists in all their glory Journey back to your younger days a time of girl power nourished by sustained silent reading Let *Paperback Crush* lead you on a visual tour of nostalgia inducing book covers from the library stacks of the past      1 mo nuenen, 2024-09-24 In the face of the bad guys who bully them Yo Yo trembled with fear but stood in front of them      **Sexual Awakening** Melina Druga, This coming of age story set against the backdrop of the mid 1990s Midwest follows Cassandra a high schooler whose big dreams clash with her family's conservative expectations as she comes into her own while navigating the complexities of teenage sex and dating Fourteen year old Cassandra Economos doesn't fit the mold of her traditional Greek family She's always been a good kid but lately she's begun to question how much influence her relatives' expectations should really have on her life Cassie doesn't understand why anyone would want to stay in Sterling IL when there's a whole world out there to explore and experience She wonders why her brother Chris gets showered in love and affection after becoming a father at 25 when she and her sister Vanessa aren't even allowed to date before they're his age And she'd rather go see Nirvana play live in Chicago than attend her homecoming dance Perfect for fans of *Now Is Not the Time to Panic* and *The Perks of Being a Wallflower* this series starter traces the social entanglements of the Economos sisters and their friends from bodice rippers and bad sex to secret boyfriends and matters of consent through Cassie's diary entries from 1993 to 97      When Boys Become Boys Chu, Judy Y., Gilligan, Carol, 2014-06-06 When Judy Y Chu first encountered the four year old boys we meet in this book they were experiencing a social initiation into boyhood They were initially astute in picking up on other people's emotions emotionally present in their relationships and competent in their navigation of the human social world However the boys gradually appeared less perceptive articulate and responsive and became more guarded and subdued in their relationships as they learned to prove that they are boys primarily by showing that they are not girls Based on a two year study of boys aged four to six *When Boys Become Boys* offers a new way of thinking about boys development Chu finds that behaviors typically viewed as natural for boys reflect an adaptation to cultures that require boys to be emotionally stoic competitive and aggressive if they are to be

accepted as real boys Yet even as boys begin to reap the social benefits of aligning with norms of masculine behavior they pay a psychological and relational price for hiding parts of their authentic selves Through documenting boys perceptions of the obstacles they face and the pressures they feel to conform and showing that their compliance with norms of masculine behavior is neither automatic nor inevitable this accessible and engaging book provides insight into ways in which adults can foster boys healthy resistance and help them to access a broader range of options for expressing themselves *Dude in Distress* Betsy Haynes,1995 But he s just been dumped by another girl in the nastiest way and now he s sworn off dating for good With advice from Boy Talk Crystal hopes to cure Evan s broken heart but is she being steered in the wrong direction
