## **Snow Train:**

A History of the Boston & Maine Railroad: Exploring New Hampshire's Rugged Heart by Rail Bruce D. Heald, 2007-11-19 On June 27 1835 New Hampshire chartered the Boston Maine Railroad and a juggernaut was born By 1900 the B M operated some 2 300 miles of track in northern New England having taken over an astonishing forty seven different railroads since its inception The B M loomed particularly large in the Granite State where it controlled 96 percent of all tracks and was the primary conveyance through the rugged heart of New England s most formidable mountain range From the gravity defying Mount Washington Cog Railway to logging transport trains to the famous Depression era Snow Train A History of the Boston Maine Railroad traces the fascinating history of New England s most renowned railway **Snow Country** ,1993-12 In the 87 issues of Snow Country published between 1988 and 1999 the reader can find the defining coverage of mountain resorts ski technique and equipment racing cross country touring and the growing sport of snowboarding during a period of radical change The award winning magazine of mountain sports and living tracks the environmental impact of ski area development and people moving to the mountains to work and live **Boston and Maine Trains and Services** Bruce D. Heald, Bruce D. Heald, Ph.D., 2005 The Boston Maine Railroad serviced most of New England as a primary mode of transportation during the 19th and 20th centuries The birth of this railroad spurred the growth and development of industry in New England This heritage is captured in Boston Maine Trains and Services the fourth volume in Arcadia s Images of Rail series to focus on the history of this railroad The trains and services included in this book are the Pullman passenger cars work trains with flatcars boxcars circus trains plows stock cabooses as well as the Boston Maine bus service trucks and air service **Skiing in Massachusetts** Cal Conniff, E. John B. Allen, 2006 In 1910 the Boston Sunday Herald reported that skiers were swarming over the Newtons Middlesex Falls and Blue Hills The Berkshires provided splendid terrain and the skiing was inexpensive This visual history traces how skiing progressed from the pre tow era of outings on wooded trails and golf courses to the mechanization of the sport After World War II came massive building with sophisticated lifts snowmaking and all the modern requirements that have kept Massachusetts one of America s winter ski states **Eighteen Wheels North to Alaska** Cliff Bishop, 2009-10-01 In spite of the obstacles the Alaska truckers were presented with they never weakened in their determination to get the job done These pioneer drivers never conquered or tamed Alaska s roads and weather but they learned to operate on the back trails and paths always making their way to the trip s end In spite of all the challenges they never quit The following from Teddy Roosevelt is an appropriate salute to Alaskan truckers It is not the critic who counts not the man who points out how the strong man stumbles or where the doer of deeds could have done better The credit belongs to the man who is actually in the arena whose face is marred by dust and sweat and blood who strives valiantly who errs and comes up short again and again because there is no effort without error or shortcoming but who knows the great enthusiasms the great devotions who spends himself for a worthy cause who at the best knows in the end the triumph of high

achievement and who at the worst if he fails at least he fails while daring greatly so that high place shall never be with those cold and timid souls who knew neither victory nor defeat

**Eighteen Wheels North to Alaska** A History of Trucking in Alaska is the story of Alaskan drivers who guided coaxed pushed pulled plowed and somehow made it to the end of the road and beyond over high mountain passes whiteout conditions seventy below zero temperature through mud muck and tundra terrain even onto the Arctic Ocean ice beyond the shore

**The Railroad in American Fiction** Grant Burns,2015-01-28

Nothing better represented the early spirit of American expansion than the railroad Dominant in daily life as well as in the popular imagination the railroad appealed strongly to creative writers For many years fiction of railroad life and travel was plentiful and varied As the nineteenth century receded the railroad s allure faded as did railroad fiction Today it is hard to sense what the railroad once meant to Americans The fiction of the railroad often by railroaders themselves recaptures that sense and provides valuable insights on American cultural history This extensively annotated bibliography lists and discusses in 956 entries novels and short stories from the 1840s to the present in which the railroad is important Each entry includes plot and character description to help the reader make an informed decision on the source s merit A detailed introduction discusses the history of railroad fiction and highlights common themes such as strikes hoboes and the roles of women and African Americans Such writers of pure railroad fiction as Harry Bedwell Frank Packard and Cy Warman are well represented along with such literary artists as Mark Twain Thomas Wolfe Flannery O Connor and Ellen Glasgow Work by minority writers including Jean Toomer Richard Wright Frank Chin and Toni Morrison also receives close attention An appendix organizes entries by decade of publication and the work is indexed by subject and title

*Congressional Record* United States. Congress, The Congressional Record is the official record of the proceedings and debates of the United States Congress It is published daily when Congress is in session The Congressional Record began publication in 1873 Debates for sessions prior to 1873 are recorded in The Debates and Proceedings in the Congress of the United States 1789 1824 the Register of Debates in Congress 1824 1837 and the Congressional Globe 1833 1873

*Encounters in Avalanche Country* Diana L. Di Stefano,2013-11-01 Every winter settlers of the U S and Canadian Mountain West could expect to lose dozens of lives to deadly avalanches This constant threat to trappers miners railway workers and their families forced individuals and communities to develop knowledge share strategies and band together as they tried to survive the extreme conditions of avalanche country The result of this convergence author Diana Di Stefano argues was a complex network of formal and informal cooperation that used disaster preparedness to engage legal action and instill a sense of regional identity among the many lives affected by these natural disasters Encounters in Avalanche Country tells the story of mountain communities responses to disaster over a century of social change and rapid industrialization As mining and railway companies triggered new kinds of disasters ideas about environmental risk and responsibility were increasingly negotiated by mountain laborers at the elite levels among corporations and in socially charged civil suits Disasters became a dangerous crossroads where

social spaces and ecological realities collided illustrating how individuals groups communities and corporate entities were all tangled in this web of connections between people and their environment Written in a lively and engaging narrative style Encounters in Avalanche Country uncovers authentic stories of survival struggles frightening avalanches and how local knowledge challenged legal traditions that defined avalanches as acts of god Combining disaster mining railroad and ski histories with the theme of severe winter weather it provides a new and fascinating perspective on the settlement of the Mountain West

**Brotherhood of Locomotive Firemen's Magazine** ,1903 Brotherhood of Locomotive Firemen and Enginemen's Magazine ,1903 A Legacy of Historical Gleanings ,1875 **A Legacy of Historical Gleanings** Catharina V. R. Bonney,2024-01-27 Reprint of the original first published in 1875 **Skiing in New Jersey?** Elizabeth Holste,2006-07-30 A history of New Jersey s ski hills from the early 1900s to the present Also a history of the sport of downhill skiing in the state

**Conrail: the Early Years** Stephen Frasher,2024-10-03 The U S Congress legislated Conrail into existence on April 1 1976 The goal of that legislation was to replace six failed railroads with one viable railroad to service the freight transportation needs of the Northeastern United States This book is my firsthand account of the challenges faced by everyday employees during those early critical years of Conrail s existence I worked for Conrail between 1976 and 1984 in the operating department under the leadership of Dick Hasselman Vice President of Operations and Don Swanson Vice President of Transportation During my eight years at Conrail I was assigned various positions at Selkirk NY New Haven CT Detroit MI Harrisburg PA and Indianapolis IN For those who like to dig into the gritty details of Conrail s management structure its train and yard operations and its physical plant I have done my best to accurately report those details for each location I was assigned to But my main goal in writing this book is to provide anecdotal stories about the challenges faced by the men and women of all ranks throughout Conrail I am hoping these stories are both informative and entertaining for those who have wondered about the trials and tribulations of the people on the front line who helped transform six bankrupt railroads into a top notch Class I railroad

**Koreana 2017 Winter (English)** The Korea Foundation ,2018-02-20 Koreana is a full color quarterly on Korean culture and arts including traditional heritage as well as modern and contemporary activities Each issue includes in depth coverage of a selected theme followed by an array of articles on artists and artisans historic and cultural landmarks natural attractions reviews of stage performances and exhibitions literary pieces and today s lifestyles Published since 1987 the magazine can also be accessed at [www.koreana.or.kr](http://www.koreana.or.kr)

Confessions of a Holiday Rep - My Hideous and Hilarious Stories of Sun, Sea, Sand and Sex Cy Flood,2012-07-02 When Cy Flood applied for work as a holiday rep his reasons were simple He wanted to party like crazy booze like there was no tomorrow and pull like it was going out of fashion In this book Cy paints a shockingly true picture of life as a travel rep a world of violent crime corruption and drug dealing

**Annual Report of the Public Utilities Commission, State of Maine** ,1920 **Report** Maine. Public Utilities Commission,1919 *Annual Report of the Public Utilities Commission,*

*State of Maine* Maine. Public Utilities Commission, 1921      **Hunger in Groups** Richard W. Seaton, 1962 A test of underfeeding in the Arctic during the summer of 1960 is presented The experiment used two replicated cycles each consisting of a five day control phase followed by two five day experimental phases during which subjects trekked over the Greenland Icecap man hauling sleds Variables included eight sub groups paired into five man teams two feeding conditions and two work conditions Reliable confirmation of previous reports was provided for some phenomenological effects e g weakness sensitivity to minor task increments and concern about health and hygiene Alleged sensitivity to cold was unconfirmed and sexuality appeared to be a concomitant of the general stress situation rather than a specific correlate of hunger That time passes more slowly for hungry men also was not supported by subjects reports Social effects of hunger on groups included reduced talk and humor and increased complaining about minor strains Contrast between effects of external demand stress and hunger deprivation stress was notable
