Snow Falling From A Bamboo Leaf The Art Of Haiku:

Snow Falling from a Bamboo Leaf: the Art of Haiku Hiag Akmakjian, 2005-09 Many lovers of poetry consider haiku to be literature's most subtle art form. The whole of life seems effortlessly expressed in only a few words and images. The book presents readers with sixty of the more famous classical haiku in the original romanized Japanese along with their interlinear transliterations. This unique combination becomes a great help in understanding how they were made. An introductory essay tells how haiku can just as easily be written in English and as a help to readers creating their own haiku it explains to them the elegant but rigorous structure of what appears to be an easy art form. This charming and informative book is tastefully illustrated with the author's own lovely ink drawings. Poetry of Chiyo-ni Patricia Donegan, Yoshie Ishibashi, 2025-09-09

Patricia Donegan and Yoshie Ishibashi are to be deeply thanked for having given us with such articulate care a poetry major in any language and in any place or time. Robert Creeley poet Chiyo ni 1703-1775 also known as Kaga no Chiyo is Japan's most celebrated female haiku poet. A disciple of Basho's students she flourished in an era when haiku was predominantly a male dominated art form. As a poet, painter and Buddhist nun Chiyo ni lived a vibrant life while composing haiku that embody crystalline clarity and delicate sensuality. This volume brings together over one hundred of her finest seasonal haiku, renku, linked verse and haibun travel poems. Highlights of the collection include morning glory, the well bucket, entangled I, ask for water, a hundred gourds from the heart of one vine, rouged lips, forgotten clear spring water. These luminous, lucid translations immerse the reader in Chiyo ni's unique vision, offering profound moments of stillness and beauty. Each poem encourages us to pause and reflect on the fleeting moments of our lives. This beautifully illustrated volume also includes artwork by Chiyo ni and other artists as well as insightful essays about her life and art, informative notes and a glossary of haiku related terms. A remarkable collection for lovers of Japanese poetry, Chiyo ni's haiku transcend time and culture, providing a timeless invitation to savor the present moment. **The Routledge Handbook of Latin American Literary Translation** Delfina

Cabrera, Denise Kripper, 2023-03-24 The Routledge Handbook of Latin American Literary Translation offers an understanding of translation in Latin America both at a regional and transnational scale. Broad in scope, it is devoted primarily to thinking comprehensively and systematically about the intersection of literary translation and Latin American literature with a curated selection of original essays that critically engage with translation theories and practices outside of hegemonic Anglo centers. In this introductory volume, through survey and case study chapters, contributing authors cover literary and cultural translation in the region, historically, geographically and linguistically. From the nineteenth to the twenty-first century, the chapters focus on issues ranging from the role of translation in the construction of national identities to the challenges of translation in the current digital age. Areas of interest expand from the United States to the Southern Cone, including the Caribbean and Brazil, as well as the impact of Latin American literature internationally and paying attention to translation from and to indigenous languages: Portuguese, English, French, German, Chinese, Spanglish and more.
