So Many Years With The Problems Of Part1:

So Many Years with the Problems of People Part 1 H.H. Pope Shenouda III, The history of questions with me is lengthy Since I have been ordained a Bishop on September 30 1962 over twenty five years ago I adopted a specific method in teaching and preaching to give a chance for the audience to introduce their questions and have them answered before the beginning of the main lecture This way thousands of questions accumulated before me during the thousands of lectures that I have given in the weekly spiritual meetings on Friday evenings the Bible study meetings on Tuesday 1968 1972 the theological lectures on Wednesday my meetings with the priests with the Sunday school teachers and their conferences the meetings of college societies general meetings in Alexandria on Sunday the lectures that were given in the theological seminary in Alexandria and Cairo or the spiritual meetings during my visits to churches and dioceses Even before my monastic life I used to answer the spiritual questions of the readers of the Sunday school magazine and the questions followed me everywhere even in the monastery The questions varied some around biblical verses some about theology doctrines ministry spiritual life or social relationships and many other subjects I excluded what was repetitious personal or what I answered with one sentence or a joke I chose what was fit from the questions for publication so the people would not have to ask the same questions again and to have almost uniform answers to such questions Pope Shenouda III **So Long Constipation, Part 1** Katarina Nolte,2013-05-26 In So Long Constipation Part 1 you will learn how to eliminate your constipation by learning what causes it and how this comes about You will learn about the relationship between our daily environment and the gut You will discover in simple detail how things like stress industrial toxins and our modern diet and lifestyle influence the delicate balance of our mind body system You will familiarize yourself with the main aspects of this delicate balance in relation to gut function **Part 1, General Issues in Elementary and Secondary Education** United States.
