The Primitive Church In The Modern World:

The Primitive Church in the Modern World Richard Thomas Hughes, 1995 **The Christian Church in the Modern World** Raymond Calkins, 1924 **The New Black Gods** Edward E. Curtis IV, Danielle Brune Sigler, 2009-04-23 Taking the influential work of Arthur Huff Fauset as a starting point to break down the false dichotomy that exists between mainstream and marginal a new generation of scholars offers fresh ideas for understanding the religious expressions of African Americans in the United States Fauset's 1944 classic *Black Gods of the Metropolis* launched original methods and theories for thinking about African American religions as modern cosmopolitan and democratic The essays in this collection show the diversity of African American religion in the wake of the Great Migration and consider the full field of African American religion from Pentecostalism to Black Judaism Black Islam and Father Divine's Peace Mission Movement As a whole they create a dynamic humanistic and thoroughly interdisciplinary understanding of African American religious history and life This book is essential reading for anyone who studies the African American experience The American Quest for the Primitive Church Richard Thomas Hughes, 1988 The dream of restoring primitive Christianity lies close to the core of the identity of some American denominations Churches of Christ Latter day Saints some Mennonites and a variety of Holiness and Pentecostal denominations But how can a return to ancient Christianity be sustained in a world increasingly driven by modernization What meaning might such a vision have in the modern world Twelve distinguished scholars explore these and related questions in this provocative book *The Millennial Kingdom of the Franciscans in the New World* John Leddy Phelan, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1970 *The Death of Aztec Tenochtitlan, the Life of Mexico City* Barbara E. Mundy, 2015-07-15 In 1325 the Aztecs founded their capital city Tenochtitlan which grew to be one of the world's largest cities before it was violently destroyed in 1521 by conquistadors from Spain and their indigenous allies Rechristened and reoccupied by the Spanish conquerors as Mexico City it became the pivot of global trade linking Europe and Asia in the 17th century and one of the modern world's most populous metropolitan areas However the Aztec city of Tenochtitlan and its people did not entirely disappear when the Spanish conquistadors destroyed it By reorienting Mexico City Tenochtitlan as a colonial capital and indigenous city Mundy demonstrates its continuity across time Using maps manuscripts and artworks she draws out two themes the struggle for power by indigenous city rulers and the management and manipulation of local ecology especially water that was necessary to maintain the city's sacred character What emerges is the story of a city within a city that continues to this day The Homiletic Review, 1916 **The Biblical World** William Rainey Harper, Ernest DeWitt Burton, Shailer Mathews, 1905 Books for New Testament study By Clyde Weber Votaw v 26 p 271 320 v 37 p 289 352

 Lost and Restored Pentecostal evangelist Aimee Semple McPherson claimed that God had given her a vision showing the fall
 of the Christian Church from its original purity and the gradual restoration of that original purity in successive stages Using
 the prophetic images of agricultural blight and recovery in Joel chapter two she detailed the fall of the church after the
 apostolic age to its complete corruption in the Middle Ages Then beginning with the Protestant Reformation of the sixteenth
 century she described the church s gradual restoration to purity and power with the influence of the Reformers continuing
