McGreevy,1992 **The Publishers' Trade List Annual** ,1990 **Mediating Organizations, Private Government, and Civil Society** Stuart C. The Encyclopedia of American Catholic History Michael Glazier,Thomas J. Shelley,1997 The encyclopedia lists essential data on all Catholic colleges and universities and on all religious institutions of men and women but it was not feasible to have a separate entry on each Therefore a representative selection was made and articles were written on some of the larger and smaller colleges and universities and the same procedure was adopted with the religious orders and congregations Unfortunately space did not permit the inclusion of every important person or event in American Catholic history
